8 Pricing Information

8.1 Pricing Structure

Prices offered, as part of the Bidder's response, must be firm, fixed prices for the initial term of the Contract.

The pricing must be submitted only using **Exhibit D - Pricing Sheet** based on the description and the unit of measure(s) provided for each line item. The unit prices must include all Solicitation requirements, including, but not limited to, labor, equipment, materials, supplies and all related expenses.

8.2 Price Adjustments

Contractors are required to immediately implement any price decrease that may become available during the Contract term. Contractor must notify the designated HHSC Contract Manager in writing so that a Purchase Order Change Notice or Contract Amendment may be processed. The Contractor will be provided the HHS Agency Contract Manager contact information upon award.

8.2.1 Price Adjustment Index

Price adjustments are not automatic. Prices only may be adjusted at the sole discretion of HHSC.

HHSC may permit price adjustments when correlated with the index as specified below and as published by the Bureau of Labor Statistics (BLS), Region VI, Washington, DC 20212.

[BLS Website](https://data.bls.gov/cgi-bin/srgate): <https://data.bls.gov/cgi-bin/srgate>

<https://data.bls.gov/timeseries/CUUR0000AA0>

When using the most recent monthly information from the index, the following applies:

A = Index from the month of the Response Deadline of this Solicitation, OR

The effective date/month of the last approved price increase or renewal option exercised

B = Current or latest baseline index

The allowable percent change must be calculated as follows:

$B - A \div A \times 100\% = \text{Percent of allowable price increase or decrease}$

Failure by the Contractor to calculate this formula and provide any supporting documentation will not be considered a properly submitted price increase request.

The Contractor may offer price decreases in excess of the allowable percent change at any time during the term of the Contract.

8.2.2 Price Adjustment Requests

The Contractor must provide, in writing to the HHS Agency Contract Manager, a request for a price adjustment. The adjustment request must use the index and formula identified in **Section 8.2.1 (Price Adjustment Index)**. **Only contracts with renewals are eligible for CPI increases and must be completed prior to the start of the renewal period.**

Contractor must provide supporting documentation to justify any price adjustment. Any request submitted that fails to use the formula above for calculating a price adjustment will not be considered a complete, properly submitted request. Additionally, any request submitted by a Contractor that does not include supporting documentation will not be considered a complete, properly submitted price adjustment request.

The HHS Agency reserves the right to accept or reject the request for a price adjustment. The Contractor will receive written notification, through a Purchase Order Change Notice or Contract Amendment, from the HHS Agency Contract Manager documenting action taken, to include effective dates, for any adjustments approved.

8.2.3 Federal Minimum Wage Adjustments

Contractor may request a price adjustment based on an increase in the Federal Minimum Wage Rate, published by the U.S. Department of Labor (USDOL), if applicable.

The request must be submitted to the HHS Agency Contract Manager in writing and include supporting documentation from the USDOL reflecting the increase and the effective date of the increase. HHSC reserves the right to accept or reject the request for an increase.

The effective date for an increase, if approved, will be based on the date of approval by the HHS Agency. Retroactive increases will not be allowed or approved if the USDOL effective date is prior to the date the written request is received by HHSC. Notification of an approved increase in the Contract rate will be provided through a Purchase Order Change Notice or Contract Amendment from the HHS Agency Contract Manager to include the new unit price and effective date for the increase.

9 Changes to The Contract

Following award, additional services or changes to the original solicitation be added/deleted via Purchase Order Change Notice (POCN) approved by the HHS Agency and the Contractor.

10 Contract Term

10.1 Term of Contract or Purchase Order

The term of the awarded Contract or Purchase Order will be effective on the date the Purchase Order is issued and will expire based on the schedule for delivery of services as outlined in this Solicitation or by the date or delivery days after receipt of order (ARO) provided by the Bidder.

10.2 Initial Contract Term:

Any contract resulting from this Solicitation will have an initial term beginning on date of award and end in one year.

10.3 Extension Option

The HHS Agency, at its sole option and subject to availability of funding, may extend the Contract beyond the initial term and all renewal periods for up to one (1) year as necessary to ensure continuity of service, to process a new solicitation, to secure a new contract, for purposes of transition to a new Contractor, or as otherwise determined by the HHS Agency.

This extension, if exercised, will require the Contractor to continue performing services in accordance with the Contract requirements and all terms and conditions.

11 Contract Administration/Transactional Purchase Order Administration

11.1 Contract Manager/Program Lead

An HHS Agency Contract Manager or Program Lead will be designated, and the contact information will be provided to the Contractor.

11.2 Services Performed

- a) The HHS Agency Contract Manager or designee will monitor all work performed which shall be in accordance with this Contract, local codes and ordinances and any other authority having lawful jurisdiction and shall periodically communicate with the Contractor via telephone, email, and conduct on-site visits to address questions, concerns or progress.

- c) All services and deliverables must meet or exceed the required levels of performance specified in this Solicitation.
- d) Contractor will be notified by the HHS Agency Contract Manager or designee in writing to correct any service or portion of a service. The Contractor shall take immediate action to correct the service or portion of a service at no additional cost to the HHS Agency. 11.3 Performance Reporting

The HHS Agency Contract Manager is required to report vendor performance for purchases over \$25,000 through the Texas Comptroller of Public Accounts (CPA) Vendor Performance Tracking System (VPTS). The VPTS reporting is required throughout the life of a contract and not just at its conclusion. HHSC PCS, at its sole discretion, may submit reports in the VPTS on Purchase Orders under \$25,000. The [VPTS information and report](https://www.txsmartbuy.com/vpts) search may be accessed at: <https://www.txsmartbuy.com/vpts>

Performance Notification – Non-Material Deficiency

The HHS Agency may notify Contractor in writing of specific areas of the Contractor's performance that fail to meet performance expectations, standards, or schedules, but that, in the determination of the HHS Agency, do not result in a material deficiency or delay in the implementation or operation of the services.

11.4 Contractor Response to Notification of Non-Material Deficiency

The Contractor shall, within three (3) business days (or another date approved by the HHS Agency) of receipt of written notice of a non-material deficiency, provide the HHS Agency Contract Manager a written response that:

- a) Explains the reasons for the deficiency, the Contractor's plan to address or cure the deficiency, and when the deficiency will be cured; or
- b) If the Contractor disagrees with the HHS Agency's findings, the response must include the reasons why the findings are disputed.

The Contractor's noncompliance or rectifying the deficiency may result in delayed payment or non-payment as determined by the HHS Agency.

11.5 Corrective Action Plan (The Plan)

At its discretion, the HHS Agency may request in writing and require the Contractor to submit a detailed written Corrective Action Plan and include how the Contractor will correct or resolve an issue, deficiency, or a breach of this Contract.

The Plan must include, but is not limited to:

- a) A detailed explanation of the reasons for the cited deficiency;
- b) The Contractor's assessment or diagnosis of the cause; and

The Plan is subject to approval, which will not be unreasonably withheld, by the HHS Agency.

The Contractor shall be required to correct all performance issues reported by the HHS Agency Contract Manager within 48 business hours. If requested by the HHS Agency, the Contractor shall provide a written report detailing the performance issue(s) and resolution. The HHS Agency's Contract Manager will report/discuss performance deficiencies with the Contractor and seek to achieve resolution of the issues.

The HHS Agency Contract Manager may report the following compliance issues to HHSC/PCS for resolution.

- a) Failure to reach agreement on corrective action.
- b) Failure to perform in accordance with the Corrective Action Plan.
- c) Violations of this Contract and Corrective Action Plan(s).

11.7 Confidential or Proprietary Information

Bidder Requirements Regarding Disclosure

Proposals and contracts are subject to the Texas Public Information Act (PIA), [Texas Government Code Chapter 552](#), and may be disclosed to the public upon request. Other legal

authority also requires HHSC to post certain contracts and Solicitation responses on its public website and to provide such information to the Legislative Budget Board for posting on its website.

Under the PIA, certain information is protected from public release. If Bidder asserts that information provided in its Solicitation Response is exempt from disclosure under the PIA, Bidder must:

a) Mark Original Proposal

1. Mark the Original Proposal, on the top of the front page, with the words “**CONTAINS CONFIDENTIAL INFORMATION**” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger); and
2. Identify, adjacent to each portion of the Solicitation Response, that Bidder claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Solicitation Response).

b) Certify in Original Solicitation Response - HHS Solicitation Affirmations (attached as **Exhibit A** to this Solicitation)

1. Certify, in the designated section of the HHS Solicitation Affirmations, Bidder’s confidential information assertion and the filing of its Public Information Act Copy; and
2. Submit Public Information Act Copy of Proposal
 - i. Submit a separate “Public Information Act Copy” of the Original Proposal (in addition to the original and all copies otherwise required under the provisions of this Solicitation). The Public Information Act Copy must meet the following requirements:
 - ii. The copy must be clearly marked as “**PUBLIC INFORMATION ACT COPY**” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger);
 - iii. Each portion Bidder claims is exempt from public disclosure must be redacted (blacked out); and
 - iv. Bidder must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (c) of this section must be identical to those set forth in the Original Proposal as required in Subsection (a)(2), above. The only difference in required markings and information between the Original Proposal and the “Public Information Act Copy” of the proposal will be redactions - which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Proposal.

By submitting a response to this Solicitation, Bidder agrees that, if Bidder does not mark the Original Solicitation Response, provide the required certification in the HHS Solicitation

Affirmations, and submit the Public Information Act Copy, Bidder's Solicitation Response will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the HHS public website, and posted on the Legislative Budget Board's public website.

If any or all Bidders submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, HHSC, in its sole discretion and in any solicitation, reserves the right to (1) disqualify all Bidders that fail to fully comply with the requirements set forth in this section, or (2) to offer all Bidders that fail to fully comply with the requirements set forth in this section additional time to comply.

Bidder should not submit a Public Information Act Copy indicating that the entire proposal is exempt from disclosure. Merely making a blanket claim that the entire proposal is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Solicitation Response subject to release under the PIA.

Solicitation Responses should not be marked or asserted as copyrighted material. If Bidder asserts a copyright to any portion of its proposal, by submitting a proposal, Bidder agrees to reproduction and posting on public websites by the State of Texas, including HHSC and all other state agencies, without cost or liability.

HHSC will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this solicitation process, Bidder acknowledges that all information, documentation, and other materials submitted in the Solicitation Response in response to this Solicitation may be subject to public disclosure under the PIA. HHSC does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Bidders are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. HHSC assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Bidders.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). To access the [Public Information Act Handbook](https://www.texasattorneygeneral.gov/), visit the attorney general's website at <https://www.texasattorneygeneral.gov/>

The HHS Agency shall not be required to pay any disputed portion of an invoice until the dispute is resolved. Notwithstanding any such dispute, the Contractor must continue to perform the services and/or produce deliverables in compliance with the terms of the Contract. Pending resolution of a dispute, the HHS Agency will continue to process payments for undisputed amounts and invoices to the Contractor.

14 Screening of Responses

Neither issuance of this Solicitation nor retention of Responses constitutes a commitment on the part of HHSC to award a Contract. HHSC maintains the right to reject any or all Responses and to cancel this Solicitation if HHSC, in its sole discretion, considers it to be in the best interests of HHSC to do so.

Retention of Responses by HHSC confers no legal rights upon any Bidder.

HHSC reserves the right to select qualified Bidders to this Solicitation with or without discussion of the Response with Bidders.

14.1 Administrative Screening

An administrative screening of Responses timely received will be conducted by HHSC PCS to determine which Responses meet all Solicitation minimum requirements and are deemed responsive and qualified for further consideration and evaluation.

Appendix A – Submission Instructions and Response Checklist will be used to conduct the screening process.

HHSC reserves the right to ask questions or request clarification from any Bidder at any time during the screening process.

14.2 Irregularities

HHSC reserves the right to waive irregularities in a Response. An irregularity is an omission or error that, in HHSC's determination if waived or modified when screening Responses, would not give a Bidder an unfair advantage over other Bidders or result in a material change in the Response or Solicitation requirements.

HHSC, at its sole discretion, may give a Bidder the opportunity to submit missing information or make corrections. The missing information or corrections must be submitted to the Sole Point of Contact e-mail address, **Section 6.1 (Sole Point of Contact and Communications)** by the deadline set by HHSC. Failure to respond before the deadline may result in HHSC's rejecting the Response and the Bidder not being considered for award.

Note: Any disqualifying factor set forth in this Solicitation does not constitute an irregularity (e.g., Submission of Exhibit A HHS Solicitation Affirmations Pages 1-12, which must be signed and submitted with the Solicitation response).

15 Evaluation

15.1 Evaluation of Responses

HHSC reserves the right to select qualified Responses to this Solicitation without discussion of the Responses with Bidders. 15.3.1 Required Pricing

The **Pricing Sheet, Exhibit D**, identifies the pricing requested and required for the products and related services outlined in this Solicitation. The award will be made to the Bidder whose Response offers the best value to the State based on all factors considered, including price.

15.3.2 Verification of Past Vendor Performance

By submitting a Response, the Bidder generally releases from liability and waives all claims against any party providing information about the Bidder at the request of HHSC.

Bidders may be rejected as a result of unsatisfactory past performance under any contract(s) as reflected in vendor performance reports, reference checks, or other sources.

The Bidder's past performance may be considered in the evaluation process and prior to making an award determination.

Reasons for which a Bidder may be denied a contract include, but are not limited to:

The performance information may include, but is not limited to:

15.3.3 Ability to Perform

Evaluation will be based upon Bidder's demonstrated experience and ability to provide goods and related services with consideration of the Bidder's business size and scope of all operations, the number of employees and supervisors available to perform the services. The evaluation may also consider the Bidder's demonstrated financial capability, financial solvency, and capacity to fulfil the requirements of this Solicitation.

16 Award

HHSC, at its sole discretion, reserves the right to cancel this Solicitation at any time or decline to award any contract(s) as a result of this Solicitation.

17 Disclosure of Interested Parties

Subject to certain specified exceptions, [Texas Government Code Section 2252.908](#), Disclosure of Interested Parties, applies to a contract of a state agency that has a value of at least \$1 million or a contract that requires an action or vote by the governing body of the agency before the contract may be signed or a Purchase Order can be issued. c) Additional Information Regarding Electronic Submission by E-Mail

All documents should be submitted in Microsoft Office® formats (Word® and Excel®, as applicable) or in a form that may be read by Microsoft Office® software. Any documents with signatures shall be submitted as an Adobe® portable document format (.pdf) file. HHSC is not responsible for documents that cannot be read or converted. Unreadable Responses may be, in HHSC's sole discretion, rejected as nonresponsive. Files must be attachments to the email. Links and access given to file storage accounts are not permitted.

Be aware Internet Service Providers may limit file sizes on outgoing emails; therefore, it is recommended Responses not contain graphics, pictures, letterheads, etc., which consume a lot of space. These typically include *.tif/*.tiff, *.gif, & *.bmp file extensions, but may use others, as well. HHSC's firewall virus protection runs at all times, so during times of new active virus alerts, incoming traffic may be delayed while virus software scans emails with attachments. Attachments may not exceed 25 MB due to HHSC email file size requirements.
