GENERATIVE ARTIFICIAL INTELLIGENCE (GENAI) DISCLOSURE NOTIFICATION

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.

Bidder must notify the State in writing if their solution or service includes, or makes available, any GenAI technology, including GenAI from third parties or subcontractors.

The State has developed a [GenAI Reporting and Factsheet \(STD 1000\)](#) to be completed by the Bidder.

Failure to submit the GenAI Reporting and Factsheet (STD 1000) will result in disqualification of the Bidder.

Failure to report GenAI to the State may void any resulting contract. The State reserves its right to seek any and all relief it may be entitled to as a result of such non-disclosure.

Upon receipt of a Bidder GenAI Reporting and Factsheet (STD 1000), the state reserves the right to incorporate GenAI Special Provisions into the final contract or reject proposals that present an unacceptable level of risk to the state.

- ii. The contractor shall torque (100% each string) inner-cell connections.

6. ACCEPTANCE OF SERVICES

Payment for services performed under this Agreement shall be in accordance with the Cost Sheet, Exhibit B-1. The approval process is outlined in the Performance Section of this SOW. Acceptance criteria shall consist of the following:

- A. The Contractor is responsible for obtaining approval from Cal OES Contract Manager before beginning any services.
- B. The Contractor shall meet all timelines and deliverable due dates as described herein.
- C. It shall be Cal OES' sole determination as to whether services have been successfully completed and are acceptable.
- D. The Contractor costs related to rework of unacceptable work products shall be costs of the Contractor and shall not be billed to Cal OES.

7. CONTRACTOR RESPONSIBILITIES

- a. This serves as a notice under Executive Order N-6-22 that as a contractor or grantee, compliance with the economic sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the Executive Order and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of contracts or grants, as applicable.
- b. The Contractor shall provide all equipment and/or software necessary to perform the required duties outlined herein.
- c. The Contractor shall designate a primary contact person to whom all project communications may be addressed and who has the authority to act on all aspects of the services.
- d. If a Contractor employee is unable to perform due to illness, resignation, or other factors beyond the Contractor's control, the Contractor shall provide qualified and suitable substitute personnel.
- e. The Contractor shall provide all reports in layman English (non-technical).

- f. The Contractor shall respond to initial Cal OES contact within thirty (30) minutes, "return call back time".
- g. The Contractor shall provide immediate on-site repair services no later than four (4) hours from initial call, and the problem remedied within twenty-four (24 hours), or sooner.
- h. The Contractor and their designees shall obtain badge access for emergency service calls at the headquarters front security desk, 3650 Schriever Ave, Mather, CA 95655, Building
- i. The Contractor shall provide access to Factory Technical Support during normal business hours, Monday - Friday, 8:00 AM - 5:00 PM, PST.
- j. The Contractor shall provide a Call Management log to include a record of all reported site events and calls.

8. CAL OES RESPONSIBILITIES

- A. Cal OES shall designate a person to whom all Contractor communication will be addressed, and who has the authority to act on all aspects of the services. This person will review the SOW and associated documents with the Contractor to ensure understanding of the responsibilities of both parties.
- B. Cal OES shall provide access to department staff and management, offices and operation areas, as required, to complete the tasks and activities defined under this Agreement.

9. PREVAILING WAGE REQUIREMENT

- A. The Contractor shall comply with Labor Code Sections 1774 and 1775. Pursuant to Section 1774, the Contractor and every subcontractor, regardless of tier, shall pay not less than the specified prevailing wage rates to all workers employed in the execution of the Contract. In accordance with Section 1775, the Contractor shall forfeit to the State up to \$200 for each day, or portion thereof, for each worker paid less than the prevailing wage rates for the work or craft in which the worker is employed for any work executed under the Contract by the Contractor or by any subcontractor, regardless of tier, in violation of the provisions of the Labor Code; and, in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to such forfeiture, the difference between such stipulated prevailing wage rates and the amount paid to each worker for each day, or portion thereof, shall be paid to each underpaid worker by the Contractor. This provision shall not apply to properly registered apprentices.
- B. Pursuant to Labor Code, Section 1770, the Director of the Department of Industrial Relations (DIR) has ascertained the general prevailing rate of per diem wages and a

general prevailing rate for legal holiday and overtime work for each craft required for execution of the Contract. The Contractor shall obtain copies of the prevailing rate of per diem wages from:

Department of Industrial Relations, Division of Labor Statistics & Research
PO Box 420603
San Francisco, CA 94142-0603
(415) 703-4780

Or wage rates may be accessed on the internet at:
http://www.dir.ca.gov/OPRL/statistics_research.html.

The Contractor is responsible to read, understand and comply with all the guidelines, including the fine print in the prevailing wage determinations; and shall post a copy of the prevailing wage rates, specific to the Project, at the Project site.

- C. Wage rates set forth are the minimum that may be paid by the Contractor. Nothing herein shall be construed as preventing the Contractor from paying more than the minimum rates set. No extra compensation will be allowed by the State due to the inability of the Contractor to hire labor at minimum rates, nor for necessity for payment by the Contractor of subsistence, travel time, overtime, or other added compensations, all of which possibilities are elements to be considered and ascertained to the Contractor's own satisfaction in preparing their Cost Sheet at the time of the bidding opportunity and will be applicable for the term of the contract.
- D. If it becomes necessary to employ crafts other than those listed in DIR's General Prevailing Wage Rate booklet, the Contractor shall contact the Division of Labor Statistics and Research as noted above. The rates thus determined shall be applicable as minimum for the contract and incorporated in the Cost Sheet. When the wage determination shows an expiration date (noted by a double asterisk**), to expire during the term of the contract, the Contractor must call or write the DIR to obtain the new rates and will have incorporated them into their Cost Sheet at the time of the bidding opportunity and will then be applicable for the term of the contract.
- E. The Contractor and each subcontractor, regardless of tier, shall keep an accurate payroll record showing the names, addresses, social security numbers, work classifications, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the Contractor and/or subcontractor in connection with the Work. Payroll records shall be certified and shall be on forms provided by the Division

of Labor Standards Enforcement, or shall contain the same information as those forms. The Contractor's and subcontractor's certified payroll records for each employee shall be submitted with each payment request, covering the period of the payment request unless requested otherwise by the Labor Commissioner of the Department of Industrial Relations pursuant to Labor Code Section 1771.4(c)(2)(b). If this contract was awarded on or after April 1, 2015, monthly payrolls should be sent directly to the Department of Industrial Relations in the current prescribed electronic format. Refer to <http://www.dir.ca.gov/Public-Works/PublicWorks.html> for access to the electronic Certified Payroll Application.

- F. Labor Compliance Monitoring and Enforcement: This project is subject to monitoring and enforcement by the Department of Industrial Relations (DIR), Compliance Monitoring Unit if awarded after January 1, 2015. All Contractors and subcontractors, regardless of tier, shall be required to comply with the Monitoring and Enforcement Program, including, but not limited to, contractor registration, submittal of electronic certified payroll reports directly to the DIR and cooperation with on-site monitoring by DIR personnel. Refer to Labor Code 1771.4 et seq.

10. PERFORMANCE

Cal OES will be the sole judge of the acceptability of all work performed and all work products produced by the Contractor as a result of this SOW. Should the work performed or the products produced by the Contractor fail to meet Cal OES' conditions, requirements, specifications, guidelines, or other applicable standards, the following resolution process will be employed, except as superseded by other binding processes:

- A. Cal OES will notify the Contractor of such problems in writing within five (5) business days.
- B. The Contractor must respond to Cal OES within five (5) business days after initial problem notification. The response shall include a corrective action plan and detailed explanation of how the Contractor plans to mitigate the issue.
- i. Failure by the Contractor to respond to Cal OES' initial problem notification within the required time limit may result in immediate termination of the Contract. In the event of such termination, Cal OES shall pay all amounts due the Contractor for all work accepted prior to termination.
- C. Cal OES will, within five (5) business days after receipt of the Contractor's corrective action plan, notify the Contractor in writing whether it accepts or rejects the plan.
- i. If Cal OES rejects the corrective action plan, the Contractor will submit a revised plan within three (3) business days. Failure by the Contractor to respond to Cal OES' notification may result in immediate termination of the Agreement.

- D. Upon receipt of the revised corrective action plan, Cal OES will notify the Contractor in writing whether it accepts or rejects the revised plan within three (3) business days.
 - i. Rejection of the revised corrective action plan will result in immediate termination of the Agreement.
- E. In the event of Agreement termination, Cal OES shall pay all amounts due to the Contractor for all work accepted prior to termination.

11. PROBLEM ESCALATION

The parties acknowledge and agree that certain technical and project related problems or issues may arise, and that such matters shall be brought to Cal OES' attention. There may be instances where the severity of the problem(s) justifies escalated reporting. To this extent, the Contractor will determine the level of severity and notify the appropriate Cal OES personnel. Cal OES personnel notified and the time period taken to report the problem or issue shall be at a level commensurate with the severity of the problem or issue. The relevant Cal OES personnel include, but are not limited to, the following:

First level:	Matthew Willis SSM I Facilities 916-845-8187 Matthew.Willis@caloes.ca.gov
Second level:	Jay Jacobs, Facilities Branch Chief (916) 845-8182 Randi.Chegwidden@Caloes.ca.gov
Third level:	Marvin Green, Deputy Director (916) 761-9557 Marvin.Green@Caloes.ca.gov

12. TERMINATION OF AGREEMENT

Cal OES reserves the right to terminate this Agreement, subject to thirty (30) days written notice to the Contractor. In the event of termination, Cal OES shall pay all amounts due the Contractor for all services rendered and accepted prior to termination.

Additional conditions for termination include, but are not limited to, the following:

- A. This Agreement can be immediately terminated for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on Cal OES' notification to the Contractor.

- B. This Agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or Cal OES' premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.
- C. Cal OES may terminate performance of work under this Agreement for its convenience in whole or, from time to time, in part, if Cal OES determines that a termination is in the State's interest.
 - i. Cal OES shall terminate by delivering to the Contractor a Notice of Termination specifying the extent of termination and the effective date thereof. The parties agree that, as to the terminated portion of the Agreement, the Agreement shall be deemed to remain in effect until such time as the termination settlement, if any, is concluded and the Agreement shall not be void.
 - ii. After receipt of a Notice of Termination, and except as directed by Cal OES, the Contractor shall immediately proceed with the following obligations, as applicable, regardless of any delay in determining or adjusting any amounts due under this clause. The Contractor shall:
 - a) Stop work as specified in the Notice of Termination.
 - b) Place no further subcontracts for materials, services, or facilities, except as necessary to complete the continued portion of the Contract.
 - c) Terminate all subcontracts to the extent they relate to the work terminated.
 - d) Settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; the approval or ratification of which will be final for purposes of this clause.
- D. The Contractor may submit a written request to terminate this Agreement only if Cal OES should substantially fail to perform its responsibilities as provided herein.

13. GENAI TECHNOLOGY USE & REPORTING

During the term of the contract, Contractor must notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology. At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State.

Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.

14. AUTHORIZED REPRESENTATIVES

The authorized representatives during the term of this Agreement are identified in the tables below. Changes to the Authorized Representatives are allowed without contract amendment via written notice to the representatives identified below.

The Contractor shall submit original Certificates of Insurance for all required Insurance and must show "occurrence" coverage when applicable. If a syndicate is used, the syndicate's name must be included.

All types of insurance must be issued by an insurer with a minimum Best Classification Rating of B + V, or equivalent as determined and deemed acceptable by the Department of General Services, Office of Risk and Insurance Management.

A. General Provisions Applying to All Policies

- i. Coverage Term – Coverage needs to be in force for the complete term of the contract. If insurance expires during the term of the contract, a new certificate must be received by the State at least thirty (30) days prior to the expiration of this insurance. Any new insurance must still comply to the original terms of the contract and be no less than one (1) year or the remainder of the term of this Agreement, whichever is greater. The new certificate must show the name and address of the insurance company, the policy number, and the beginning and ending dates of the policy.
- ii. Policy Cancellation or Termination & Notice of Non-Renewal – Contractor is responsible to notify the State within 5 business days before the effective date of any cancellation, non-renewal or material change that affects required insurance coverage. In the event Contractor fails to keep in effect at all times the specified insurance coverage, the State may, in addition to any other remedies it may have, terminate this Contract upon the occurrence of such event, subject to the provisions of this Contract.
- iii. Deductible – Contractor is responsible for any deductible or self-insured retention contained within their insurance program.
- iv. Primary Clause – Any required insurance contained in this contract shall be primary, and not excess or contributory, to any other insurance carried by the State.
- v. Insurance Carrier Required Rating – All insurance companies must carry a rating acceptable to the Office of Risk and Insurance Management – A or better and financial size category of VII or better to the latest edition of the A.M. Best Key Rating Guide. If the Contractor is self-insured for a portion or all of its insurance, review of financial information including a letter of credit may be required.

- vi. Endorsements – Any required endorsements requested by the State must be physically attached to all requested certificates of insurance and not substituted by referring to such coverage on the certificate of insurance.
- vii. Inadequate Insurance – Inadequate or lack of insurance does not negate the contractor's obligations under the contract.
- viii. Satisfying an SIR – All insurance policies required by this contract/permit must allow the State to pay and/or act as the contractor's agent in satisfying any self-insured retention (SIR). The choice to pay and/or act as the contractor's agent in satisfying any SIR is at the State's discretion.
- ix. Available Coverages/Limits – All coverage and limits available to the contractor shall also be available and applicable to the State.
- x. Subcontractors – In the case of Contractor utilization of subcontractors to complete the contracted scope of work, contractor shall include all subcontractors as insureds under Contractor's insurance or supply evidence of insurance to The State equal to policies, coverages and limits required of Contractor.

B. Insurance Requirements

- i. Commercial General Liability – Contractor shall maintain general liability on an occurrence form with limits not less than \$1,000,000 per occurrence for bodily injury and property damage liability combined, with a \$2,000,000 annual policy aggregate. The policy shall include coverage for liabilities arising out of premises, operations, independent contractors, products, completed operations, personal & advertising injury, and liability assumed under an insured contract. This insurance shall apply separately to each insured against whom claim is made or suit is brought subject to the Contractor's limit of liability. **The policy must include The State of California, its officers, agents, employees and servants as additional insureds, but only with respect to work performed under the contract.**
- ii. Workers Compensation and Employers Liability – Contractor shall maintain statutory worker's compensation and employer's liability coverage for all its employees who will be engaged in the performance of the Contract. Employer's liability limits of \$1,000,000 are required. The insurer waives any right of recovery the insurer may have against the State because of payments the insurer makes for injury or damage arising out of the work done under contract/permit with the State. **A Waiver of Subrogation or Right to Recover endorsement in favor of the State must be attached to the certificate.**
- iii. Automobile Liability – By signing this Agreement, the Contractor certifies that the Contractor and any employees, subcontractors or servants possess valid

automobile coverage in accordance with California Vehicle Code Sections 16450 to 16457, inclusive. The State reserves the right to request proof at any time.

The Contractor shall furnish a Certificate of Insurance. The Certificate of Insurance will provide the above listed liability coverages and the Certificate Holder shall read:

**California Governor's Office of Emergency Services
3650 Schriever Avenue
Mather, CA 95655-4203**

C. Other Required Insurance Provisions

Certificate of Insurance must also contain all of the following provisions:

- i. Statement requiring the Insurer to provide written notice to Cal OES thirty (30) calendar days prior to cancelling the Contractor's policy.
- ii. Statement that Cal OES, its officers, agents, servants and employees are included as additional insured on the policy, but only insofar as the services under this Agreement are concerned.
- iii. Statement that neither Cal OES, nor any of its agents, will be responsible for any premium or assessment on said policies.
- iv. In the event Contractor fails to keep the insurance coverage as herein prescribed in effect at all times during the term of this Agreement, Cal OES may, in addition to any other remedies it may have, terminate this Agreement effective the last day of insurance coverage.
- v. The Contractor shall email the certificate of insurance, **identifying the Agreement number**, to Cal OES at the following email address:
