## **I. INTRODUCTION AND SOLICITATION SCHEDULE**

### **A. Introduction**

#### **1. General**

This Request for Proposals (hereinafter “RFP” or “Solicitation”) is being issued by Office of Contract Administration (hereinafter, “OCA” or “City”). OCA, on behalf of the Port of San Francisco, is seeking qualified suppliers (“Proposers”) to provide proposals (“Proposal”) for the Security System Upgrade project at the Port.

The City has approximately 65 departments, ranging from small to very large. Some departments maintain facilities located outside of the geographic limits of the City. The Port of San Francisco (PRT) shall order goods and/or services covered by the awarded contract(s) through the issuance of individual Purchase Orders and/or Task Orders which shall be released against the awarded contract(s) during the contract term.

When applicable and practical, Proposers are encouraged to engage contracting teams that reflect the diversity of the City and include participation of businesses and residents from the City’s most disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

#### **2. Selection Overview**

The City shall award a contract to the Proposer that meets the Minimum Qualifications of this Solicitation whose Proposal receives the highest-ranking score. Responsive Proposals will be evaluated by a panel (“Evaluation Panel”) consisting of one or more parties with expertise related to goods and/or services being procured through this Solicitation. The Evaluation Panel may include staff from various City departments. Proposals will be evaluated based on the criteria outlined herein. If applicable, a Contract Monitoring Division (CMD) Contract Compliance Officer will assess Proposal compliance with Local Business Enterprise (LBE) requirements and assign a rating bonus to Proposal scores. The CMD-adjusted scores (if applicable) will then be tabulated, and Proposers will be ranked starting with the Proposer receiving the highest score, then continuing with the Proposer receiving the second highest score, and so on.

### **B. Anticipated Contract Term**

A contract awarded pursuant to this Solicitation shall be non-exclusive with an original term of three (3) years. The City at its sole, absolute discretion, shall have the option to extend the term for two (2) additional years for a total of five (5) years.

### **C. Anticipated Contract Not to Exceed Amount**

The not to exceed (“NTE”) amount for a contract awarded pursuant to this Solicitation cannot be anticipated at the time of this Solicitation but shall be based on the selected Proposal. This amount is based on City’s estimated spend over the advertised contract term. Should City’s actual spend exceed its estimated spend, City may in its sole discretion increase the contract NTE accordingly.

### **D. Indefinite Quantity, As-Needed Contract**

A contract awarded pursuant to this Solicitation will result in a term, indefinite quantities, as-needed contract. There is no guarantee of a minimum amount of goods or services for any of the Proposers selected for contract negotiations or for the awarded Proposer(s). Unless otherwise specified herein, deliveries and services will be required in quantities and at times as ordered during the period of the contract. Estimated quantities, if any, stated in this Solicitation are

approximations only. City, in its sole discretion, may purchase any greater or lesser quantity. City may also make purchases of items awarded pursuant to this Solicitation from other suppliers when City determines, in its sole discretion, that it is in the best interest of the City to do so.

#### **E. Cooperative Agreement**

Any other City department, public entity or non-profit made up of multiple public entities, may use the results of this Solicitation to obtain some or all of the commodities or services to be provided by Proposer under the same terms and conditions of any contract awarded pursuant to this Solicitation.

#### **F. Solicitation Schedule**

#### **E. Limitation on Communications During Solicitation**

From the date this Solicitation is issued until the date the competitive process of this Solicitation is completed (either by cancellation or final Award), Proposers and their subcontractors, vendors, representatives and/or other parties under Proposer’s control, shall communicate solely with the Contract Administrator whose name appears in this Solicitation. Any attempt to communicate with any party other than the Contract Administrator whose name appears in this Solicitation – including any City official, representative or employee – is strictly prohibited. Failure to comply with this communications protocol may, at the sole discretion of City, result in the disqualification of the Proposer or potential Proposer from the competitive process. This protocol does not apply to communications with the City regarding business not related to this Solicitation.

#### **F. Proposal Selection Shall not Imply Acceptance**

The acceptance and/or selection of any Proposal(s) shall not imply acceptance by the City of all terms of the Proposal(s), which may be subject to further approvals before the City may be legally bound thereby.

#### **G. Cybersecurity Risk Assessment**

As part of City’s evaluation process, City may engage in Cybersecurity Risk Assessment (CRA). CRA may be performed for each entity manufacturing the product, performing technical functions related to the product’s performance, and/or accessing City’s networks and systems. Where a prime contractor or reseller plays an active role in each of these activities, CRA may also be required for the prime contractor or reseller.

To conduct a CRA, City may collect as part of this Solicitation process one of the following two reports:

- **SOC-2 Type 2 Report:** Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy; or
- **City’s Cyber Risk Assessment Questionnaire:** Proposer’s responses to a City’s Cyber Risk Assessment Questionnaire.

The above reports may be requested at such time City has selected or is considering a potential Proposer. The reports will be evaluated by the soliciting Department and the City’s Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City may afford a potential Proposer an opportunity to cure such risk within a period of time deemed reasonable to City. Such remediation and continuing compliance shall be subject to City’s on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities’ cybersecurity program, penetration testing, and/or code reviews.

## **H. Solicitation Errors and Omissions**

Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. Any such notification should be directed to the City promptly after discovery, but in no event later than the deadline for questions. Modifications and clarifications will be made by Addenda as provided below.

## **I. Objections to Solicitation Terms**

Should a Proposer object on any ground to any provision or legal requirement set forth in this Solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.

Proposers acknowledge and agree that their submissions in response to this Solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

Submission of a Proposal in response to this Solicitation may subject the Proposers to restrictions under Campaign and Governmental Conduct Code Section 1.126, which prohibits City contractors, Proposers, and their affiliates from making political contributions to certain City elective officers and candidates; and
2. Before submitting a Proposal in response to this Solicitation, Proposers are required to notify their affiliates and subcontractors listed in the awarded contract or Proposal of the political contribution restrictions set forth in Campaign and Governmental Conduct Code section 1.126.
