Within twenty-four (24) hours of Successful Respondent's discovery or reasonable belief that there has been an event which results in the accidental or deliberate unauthorized access, loss, disclosure, modification, disruption, or destruction of confidential CPA information ("Security Incident"), Successful Respondent shall provide notice to CPA by calling (800) 531-5441 EXT 34357. If CPA, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing the notice shall be reimbursed to CPA by Successful Respondent. If Successful Respondent does not reimburse such costs within thirty (30) days of CPA's written request, then CPA shall have the right to collect such costs. CPA reserves the right to conduct an independent investigation of any Security Incident, and should CPA choose to do so, Successful Respondent shall cooperate fully with CPA and assume responsibility at its own expense for making personnel, resources, and systems access available to CPA and CPA's authorized representative(s).

H. Insurance and Bonds

Successful Respondent represents and warrants that it shall obtain and maintain the following coverages throughout the term of the Contract and that all coverages shall be with companies licensed in Texas with an "A" rating from A.M. Best Co. authorized to provide the required coverages:

The certificate shall be addressed to CPA as the certificate holder. Successful Respondent shall submit proof of required insurance coverage via email, referencing the PO number, to the following address: contract.administration@cpa.texas.gov.

I. Criminal Background Investigation

1. **Criminal Background Investigation by Successful Respondent**. Prior to an Assigned Personnel commencing Services under the Contract, Successful Respondent shall conduct a criminal background investigation and provide written notice via email to CPA's Criminal Investigation Division of any Assigned Personnel that have any felony criminal conviction(s). If any information related to felony criminal conviction(s) for the Assigned Personnel changes during the Contract term, Successful Respondent shall provide written notice via email to CPA's Criminal Investigation Division no later than three (3) business days after Successful Respondent's discovery of such changed information. Written notice to CPA's Criminal Investigation Division shall be submitted to cid.analysts@cpa.texas.gov.

Successful Respondent's exercise of due diligence in conducting the criminal background investigation shall include, at a minimum, the following: (1) compliance with Successful Respondent's published policies and procedures for background and criminal conviction checks and (2) a comprehensive search of the public information portion of Texas Department of Public Safety criminal conviction database located at: <https://publicsite.dps.texas.gov/ConvictionNameSearch/>. If Successful Respondent asserts that a search of the Texas Department of Public Safety criminal conviction database is not appropriate for a particular Assigned Personnel, Successful Respondent must provide written notice via email to CPA's Criminal Investigation Division that explains the proposed alternate approach for conducting the criminal background investigation.

For purposes of this clause, "Assigned Personnel" includes, without limitation, (1) all individuals provided by Successful Respondent under the Contract who will or may (a) be assigned as lead or key personnel; (b) provide Services on-site at CPA's premises; or (c) access CPA information resources, *i.e.*, the procedures, equipment, and software that are employed, designed, built, operated, and maintained to collect, record, process, store, retrieve, display, and transmit information, and (2) associated personnel, including consultants and contractors. Within five (5) business days of receipt of a written request by CPA's Criminal Investigation Division during the Contract term, Successful Respondent shall provide written notice to CPA's Criminal Investigation Division of any Assigned Personnel that have any felony criminal conviction(s).

2. **Criminal Background Investigation by CPA**. At CPA's discretion, CPA may conduct a criminal background investigation on Successful Respondent's Assigned Personnel. Should any Assigned Personnel not be acceptable to CPA due to a finding of felony criminal conviction(s) as a result of the criminal background investigation, Successful Respondent shall replace such Assigned Personnel upon CPA's written request or CPA may terminate the Contract.

3. **Remedies.** If CPA becomes aware that Successful Respondent provided false information, Successful Respondent fails to promptly notify CPA of changed information that related to felony criminal convictions, or Successful Respondents fails to replace Assigned Personnel as required by this Section, Successful Respondent shall be in breach of contract and CPA shall have the option to terminate the Contract without further obligation to Successful Respondent as well as pursue all other remedies and rights available to CPA under contract, at law, or in equity.

J. Contract Term

The initial term of the Contract shall be from Award Date through August 31, 2026. CPA may, in its sole discretion, exercise the option to extend the Contract for up to three (3) additional, one-(1)-year periods. The optional additional periods are September 1, 2026 through August 31, 2027; September 1, 2027 through August 31, 2028; and September 1, 2028 through August 31, 2029. To exercise the option to extend the term, CPA will notify Successful Respondent; such notice may be by PO or PO Change Notice issuance. Notwithstanding the termination or expiration of the Contract, certain provisions that by their nature are intended to continue beyond the termination or expiration of the Contract, *e.g.*, indemnification, confidentiality, dispute resolution, records retention, CPA data safeguards, State Auditor's right to audit, and CPA's right to audit, shall survive the termination or expiration of the Contract.

K. Invoice Acceptance Criteria

Prior to payment, CPA will evaluate the provided products and/or Services using the following criteria and any additional acceptance criteria provided in the Contract:

1. The products and/or Services must meet all specifications and standards of performance in the Contract; and
2. The products and/or Services must comply with all published specifications.

L. Payments

Payment(s) to Successful Respondent will be based upon the schedule described in Section IV (Mandatory Price Sheet) and the Contract. **CPA may, in its sole discretion, process payments on a monthly basis.** CPA makes no express or implied warranty whatsoever that any minimum compensation or minimum quantity will be guaranteed under the Contract. Payment shall be made in accordance with the Texas Prompt Payment Act, Chapter 2251 of the Texas Government Code. Generally, subject to several exceptions, the Texas Prompt Payment Act requires payments to be made no later than 30 days after the later of the date goods are received, services are completed, or an undisputed invoice is received. Payments will be made to Successful Respondent as provided in Section V (Provision for Direct Deposit or Warrant).

M. Discounts

If Successful Respondent provides a discount on the final Contract costs at any time during the term of the Contract, Successful Respondent will notify CPA in writing ten (10) calendar days before the effective date of the discount. CPA will generate a PO Change Notice ("POCN") and send it to Successful Respondent. If an early payment discount is available to CPA, then Respondent's Offer must describe the early payment discount offered and the discount percentage that would apply to CPA's early payment within ten, fifteen, twenty or twenty-five calendar days after receipt of a correct invoice. Successful Respondent shall also specify any applicable, early payment discount option(s) on each submitted invoice.

N. PO Addition and Deletion

CPA reserves the right, in its sole discretion, to add or delete products or Services during the Contract term. All additions or deletions will be processed through CPA's Procurement Section by POCN. The rate at the time of the addition or deletion shall be the same as the rate quoted in the Contract for the same model product or Service. The effective date of any addition or deletion will be no later than five (5) business days after receipt of CPA's written notification of the addition or deletion. For this purpose, written notification may be by POCN sent by registered mail, regular mail, or email with confirmation receipt.

For any additions, CPA's Procurement Section will provide a POCN to Successful Respondent. The total number of additions allowed to CPA is determined by the number CPA chooses to purchase. For any deletions, CPA's Procurement Section will provide a POCN to Successful Respondent indicating the effective date of the deletion, the amount of the reduction or refund (if any), and sufficient details to identify the product or Service.

O. HUB Subcontracting Plan Information

In accordance with Section 2161.252 of the Texas Government Code and 34 Texas Administrative Code §20.285, each state agency that considers entering into a contract with an expected value of \$100,000 or more over the life of the contract (including any renewals) shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. If subcontracting opportunities are probable, each state agency's invitation for bids, requests for proposals, or other purchase solicitation documents with an

expected value of \$100,000 or more shall state that probability and require a Historically Underutilized Business (HUB) Subcontracting Plan (HSP).

CPA has determined that subcontracting opportunities are probable and requires Respondents to complete the State of Texas HUB Subcontracting Plan (HSP) form located at: <https://comptroller.texas.gov/purchasing/vendor/hub/forms.php>.

For purposes of the HSP, CPA has determined that this procurement falls under the following category:

Special Trade Construction Professional Services Other Services Commodities

CPA has identified the possible subcontracting opportunities on the “Agency Special Instructions/Additional Requirements” portion of the State of Texas HUB HSP form set forth below:

-- Agency Special Instructions/Additional Requirements --

The Texas Comptroller of Public Accounts is committed to increasing contracting opportunities with HUBs by contracting directly with HUBs or indirectly through subcontracting opportunities in compliance with Chapter 2161 of the Texas Government Code, and by requesting a HSP for contracts with an expected value of \$25,000 to \$99,999.

If a bid/proposal/offer to a solicitation with an expected value of \$100,000 or more does not contain a completed HSP and supporting documentation, the bid/proposal/offer will be considered non-responsive and will be disqualified. After Contract award, Successful Respondent may be subject to debarment pursuant to Section 2161.253(d) of the Texas Government Code if any modifications are made to the HSP without PRIOR approval from CPA.

For assistance in completing the HSP, Respondent may visit the following website: <https://comptroller.texas.gov/purchasing/vendor/hub/>. The HSP is available as part of this RFO package on the ESB website, available at: <http://www.txsmartbuy.com/esbd>. Respondents may send an HSP review request to the Contact person provided in Section I, Part 8. CPA will provide a courtesy HSP review if the request is received no later than the date questions are due, as specified in Section I, Part 15.

If Respondent is not subcontracting any portion of the Contract, Sections 1, 2(a), 3 and 4 of the HSP must be completed.

If Respondent is subcontracting some portion of the Contract, the supporting documentation of “Good Faith Effort” must be demonstrated in either Method A (Attachment A) or Method B (Attachment B) of the HSP.

The Texas Comptroller of Public Accounts requests all Respondents to consider utilizing HUBs in subcontracting areas listed below; however, this list should not be considered exhaustive.

| Class | Item | Description |
|-------|------|--|
| 208 | 36 | Data Processing Software, Microcomputer |
| 208 | 53 | Integrated Software, Microcomputer |
| 208 | 88 | Software, Monitoring, Microcomputer |
| 208 | 89 | Threat Alert Software, Microcomputer |
| 920 | 03 | Application Service Provider (ASP), Web Based Hosted |
| 920 | 05 | Application, Infrastructure, Hosting, Data Hosting and Cloud Computing Services, Vendor Hosted and Internally Hosted |
| 920 | 64 | System Implementation and Engineering Services |

In accordance with 34 TAC §20.285(d)(1)(D)(iii), a Respondent (prime contractor) may demonstrate a good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of Respondent’s subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a Respondent uses this method to demonstrate a good faith effort, the Respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall qualify toward meeting the HUB goal.

P. Respondent Documents

All Respondent documents that are related to the Services, this RFO, Respondent's Offer, or a Contract including, but not limited to, boilerplate service agreements, service schedules, published specifications, warranty information, terms of service, ordering documents, maintenance agreements, and license agreements, are collectively referred to in this RFO as "Respondent Documents." **Respondent must include copies of all proposed Respondent Documents with Respondent's Offer.** CPA reserves the right, in its sole discretion, to amend the Respondent Documents to conform to this RFO and Texas law and provide them to Respondent for approval and signature prior to Contract award. Respondent Documents that are (1) submitted as part of the Offer and (2) amended to conform to this RFO and Texas law through mutual, written agreement of Successful Respondent and CPA will be incorporated as part of the Contract. Upon written request, Respondent shall promptly provide to CPA a Word version of all Respondent Documents.

Q. Respondent Exceptions

If Respondent takes any exception to any provisions of this RFO, the exceptions must be specifically and clearly identified by section number in Respondent's Offer as provided in Section XI (Respondent Exceptions Response Template). Respondent's proposed alternative must also be provided in the Offer; however, it is acceptable for Respondent to reference the terms of a previous contract with CPA. If a Respondent takes a "blanket exception" to the entire RFO or does not propose alternate language for CPA's consideration, Respondent's Offer may be considered non-responsive and disqualified from further consideration.

Respondents are strongly encouraged to submit any inquiries regarding specific terms or conditions of this RFO during the question-and-answer period designated in Section I (Summary).

R. Respondent's Past Performance

Comptroller may conduct reference checks with other entities regarding past performance of Respondent or its subcontractors. In addition to evaluating performance through the Vendor Performance Tracking System ("VPTS") as authorized by 34 Texas Administrative Code §20.115, Comptroller may examine other sources of vendor performance, including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Such sources of vendor performance may include any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the Federal government. Further, Comptroller may initiate such examinations of vendor performance based upon media reports. Any such investigations shall be at the sole discretion of Comptroller, and any negative findings, as determined by Comptroller, may result in a non-award to Respondent. The Vendor Performance Tracking System information is located on Comptroller's website at: <https://www.comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>.

V. Standard Terms and Conditions

- 1. Terms and Conditions.** This Section V (Standard Terms and Conditions) is incorporated into this RFO for all purposes. Respondent's representation and signature is required on the Execution of Offer located in Section VI.
- 2. Contract Award; Copyright; Reissuance.** In awarding a Contract, CPA reserves the right, in its sole discretion, to reject all or any part of any Offers; waive minor technicalities; negotiate price and other provisions with all Respondents, the top-rated Respondents, or no Respondents; and award a Contract in the best interests of CPA and the State of Texas. CPA reserves the right, in its sole discretion, to award a Contract without discussion of Offer(s) with Respondent(s). CPA's waiver of any deviations in any Offers will not constitute a modification of this RFO and will not preclude CPA from asserting all rights against Respondent for failure to comply fully with all terms and conditions of this RFO. CPA reserves the right to make any corrections or include additional requirements in the PO or a PO Change Notice prior to issuance necessary for CPA's compliance, as an agency of the State of Texas, with all state and federal requirements. Copyrighted offers are unacceptable and are subject to disqualification as non-responsive. CPA reserves the right to disqualify any Offer that asserts a copyright on any CPA-created form that CPA requires a Respondent to include in its Offer, *e.g.*, Mandatory Price Sheet and forms to be completed by Respondent. CPA is not required to award a Contract. CPA may reissue or issue another solicitation for the requested Services or items described in this RFO or similar services or items at any time.
- 3. Pricing; F.O.B. (Freight on Board) Destination.** All pricing must be submitted in the format provided in the Mandatory Price Sheet and must comply with the requirements described in this paragraph. If a trade discount is shown on the Offer, it should be deducted and net line extensions shown on the Mandatory Price Sheet. Respondent must be willing to negotiate from Offer prices. "Discount from list" Offers are not acceptable unless specifically requested. Cash discounts will not be considered in determining the best value. However, CPA will take all cash discounts offered if earned. A Respondent must quote F.O.B. destination with title and risk of loss transferred to CPA upon CPA's written acceptance; otherwise, Respondent must quote complete cost to deliver as specified in this RFO. A Respondent must quote unit price on quantity and unit of measure specified. Total prices must be computed to show the total cost for each item type. In case of errors in computation in Offers, unit prices shall govern. CPA will not consider Offers subject to unlimited price or percentage-of-price increases.
- 4. Additional Specifications.** By submitting an Offer, Respondent guarantees and warrants that all requested Services or items offered will meet or exceed all specifications of this RFO. All items offered shall be new and in first-class condition, including containers suitable for shipment and storage, unless otherwise indicated in this RFO. Respondent must furnish samples, when requested, free of expense to CPA. CPA will return samples to Respondent, on request, at Respondent's expense. Each sample should be marked with Respondent's name, address, and CPA's RFO number or PO number, as applicable. No substitutions or cancellations are permitted without prior written approval of CPA's Procurement Section.
- 5. Testing; Acceptance; Return; Revocation.** Prior to Contract award or payment, as applicable, requested samples will be subject to inspection and testing by CPA. CPA reserves the right to test requested samples or items prior to Contract award and Respondent will bear all costs of any testing. After Contract award and prior to payment, CPA may conduct acceptance testing on the requested items delivered under the Contract. If so, CPA will have up to thirty (30) days to conduct such testing. If the delivered and/or installed requested items fail to meet or exceed the acceptance criteria or any other requirement of the Contract, CPA may refuse to accept the requested items. If CPA refuses to accept the requested items, CPA shall return such requested items at Successful Respondent's sole expense. If the delivered, requested items meet or exceed all conditions and requirements of the Contract, CPA shall notify Successful Respondent in writing no later than thirty (30) days after receiving the samples or items being tested that Successful Respondent may submit an invoice to CPA's Accounts Payable Division for such requested items at: [to *biaap@cpa.texas.gov*](mailto:biaap@cpa.texas.gov). CPA reserves the right to revoke prior acceptance for, among other things, latent defects.
- 6. Delivery; Dates; Delays; Delivery Hours.** Regardless of whether the latest acceptable delivery date is specified in the Mandatory Price Sheet, Respondent must list the number of days required to place equipment or goods in CPA's designated location under normal conditions. Failure to state a delivery time obligates Respondent to complete delivery in fourteen (14) calendar days or by the latest acceptable delivery date specified in Section II (Specifications) or the Mandatory Price Sheet. Unrealistically short or long delivery promises may cause an Offer to be disregarded. Consistent failure to meet delivery promises without valid reason may result in Successful Respondent's removal from the State of Texas' Centralized Master Bidders List ("CMBL"). If Successful Respondent determines that it will be unable to comply with any scheduled deadline or delivery of the requested items required under the Contract, Successful Respondent shall notify CPA in advance in writing of the expected delay, the reason for the delay and the date by which the requested items may be expected. CPA may, in its sole discretion, approve such delay in writing. Notwithstanding anything in this paragraph to the contrary, CPA reserves the right to terminate all or any part of the Contract and CPA does not waive any rights or remedies available to CPA for Successful Respondent's nonperformance under the Contract. Successful Respondent must deliver all items during CPA's standard business hours unless CPA's Procurement Section or CPA's Contract Manager provides prior written approval for delivery before or after standard business hours. CPA's standard business hours are defined in in this Section V (Hours).

7. **Time for Submission.** Offers must be received by CPA's Procurement Section before the hour and date specified in Section I (Summary). Late Offers will not be considered under any circumstances.
8. **Electronic Signatures.** Respondent's Offer must be electronically signed or manually signed and scanned. Subsequent documents delivered pursuant to this RFO may be electronically signed as well. To the extent the parties sign electronically, their electronic signature, whether digital or encrypted, is intended to authenticate as applicable and will have the same force and effect as manual signatures. Delivery of a copy of the Offer, Contract, or any other document contemplated under this RFO, bearing an original manual or electronic signature by electronic mail in pdf or similar format intended to preserve the original graphic and pictorial appearance of a document, or through the use of electronic signature software will have the same effect as physical delivery of the paper document bearing an original, manual signature.

"Electronic signature" means electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by an authorized person with the intent to sign the record pursuant to the Texas Uniform Electronic Transactions Act (Tex. Bus. & Com. Code §322.001 *et seq.*), as amended from time to time.
9. **Respondent Identification.** Offers must include Respondent's Texas Identification Number ("TIN"), which is the taxpayer number assigned and used by CPA. If this number is not known, provide the Respondent's Federal Employer Identification Number ("FEIN"), if any, or, for sole proprietors that do not have a TIN or FEIN, the Offer must include Respondent's Social Security Number and mark it as "**CONFIDENTIAL**."
10. **No Alterations or Withdrawals of Offer after Deadline.** Offers cannot be altered or amended after the deadline specified in Section I (Summary), except as provided in this paragraph. Any alterations made before this deadline must be initiated by the Respondent or its authorized agent. No Offers can be withdrawn after the specified deadline without approval by CPA's Procurement Section based on a written reason acceptable to CPA, in its sole discretion.
11. **Selected Definitions.** This paragraph defines the following terms used throughout this RFO: Successful Respondent's employee, relative and financial interest.
 - "Successful Respondent's employee" includes any individual who, on behalf of Respondent, will or may participate in the Contract.
 - "Successful Respondent's employee" includes all officers, personnel, replacement personnel, agents, subcontractors and other representatives of Respondent regardless of how employed or contracted by Respondent.
 - When the term "relative" refers to an individual, the term includes a current or former CPA employee's spouse, father, mother, brother, sister, son or stepson, daughter or stepdaughter, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law or daughter-in-law.
 - "Financial interest" means receiving, or the right to receive, money or other valuable property or benefits under the actual or proposed contract; holding a position in the business of Respondent, such as a principal, officer, director, trustee, partner, employee or the like, or holding any position of management; holding any of the outstanding debt of a person directly involved in the proposed or resulting contract; or owning stock or other interest in the business of Respondent.
12. **Email Offers.** CPA will not be responsible for Offers received late, illegible, incomplete, or otherwise non-responsive due to network delays (*e.g.*, firewalls, security scans, etc.), internet connection issues, etc.
13. **Mailed or Hand-delivered Offers.** CPA will not accept mailed or hand-delivered Offers.
14. **Terms and Conditions Attached to Offer.** CPA will not consider any terms and conditions or other documents attached to an Offer as part of the Offer unless the Respondent specifically and prominently refers to each of them in its Offer. In addition, see other Parts of this Section V (Terms and Conditions), for example, Incorporation of Entire RFO, Authority to Bind CPA; Execute Documents, Unacceptable Terms in Respondent's Offer, and Specifications; Performance, regarding limitations on terms and conditions or attachments to Respondent's Offer. CPA reserves the right, in its sole discretion, to reject any Respondent terms and conditions or other documents or attachments that are submitted to CPA as part of Respondent's Offer.
15. **Incorporation of Entire RFO.** Except as otherwise provided in the negotiated terms and conditions, if any, that are expressly identified as such in the Contract, this entire RFO applies to and becomes part of the Contract.
16. **Authority to Bind CPA; Execute Documents.** Only the Comptroller, Deputy Comptroller, and the Deputy Comptroller's authorized delegate have the authority to execute a document or grant a permission on behalf of CPA with respect to this RFO or the Contract, except that CPA's Procurement Section has authority to issue POs and POCNs.
17. **Unacceptable Terms in Respondent's Offer.** No CPA action, including, but not limited to, issuance of a PO, will constitute an acceptance of conflicting terms, conditions, or attachments in Respondent's Offer; however, this lack of acceptance by CPA shall not apply to the negotiated terms and conditions, if any, that are expressly identified as such in

the Contract. Proposed terms and conditions that may violate Texas law applicable to the specific procurement or may be unacceptable to CPA for inclusion in the Contract include the following:

- Offers that incorporate the laws of a state other than Texas;
- Requirements for prepayment;
- Limitations on CPA's remedies;
- Requirements that CPA indemnify the Respondent;
- Requirements that Respondent's documents control in case of conflicts;
- Requirements that Respondent's documents control even if Respondent accepts or acknowledges the PO; and
- Disclaimer of warranties.

18. Pre-contract Costs. Respondent is responsible for all expenses related to the preparation and submission of an Offer. CPA shall pay no costs or other amounts incurred by any entity in responding to this RFO or incurred prior to the effective date of the Contract.

19. Specifications; Performance. Successful Respondent will provide the requested Services and/or items of the quality and in the manner described in this RFO. Successful Respondent's failure to conform to all requirements of the Contract may, among other things, result in CPA's withholding of acceptance and payments under the Contract, CPA's cancellation of all or part of the Contract, CPA's revocation of any prior acceptance and Successful Respondent's refund to CPA of amounts paid by CPA prior to revocation of acceptance.

20. Respondent Costs. Respondent will bear all costs and expenses for the provision of the requested Services or items required by the Contract. All such costs and expenses must be included in the prices detailed in the Contract. No other amounts will be paid.

21. Prepayments. CPA, in its sole discretion, reserves the right, to the extent permitted by Texas law and CPA regulations, to prepay for any requested Services or items delivered to or provided to CPA by Successful Respondent in its performance under the Contract. CPA may inspect, test and evaluate the requested items prior to acceptance and payment.

22. Refunds. Successful Respondent will promptly refund or credit, within thirty (30) calendar days, any funds erroneously paid by CPA not expressly authorized under the Contract.

23. Invoicing; Travel-related Expenses; Withholding of Payments. To be paid, Successful Respondent must submit one copy of an itemized invoice showing the PO number to CPA's Accounts Payable Division at biaap@cpa.texas.gov for all requested Services and/or items delivered, inspected, tested, evaluated and accepted by CPA. CPA will not reimburse for travel, meals, lodging or other related expenses unless specifically provided in the Contract. In that event, Successful Respondent will invoice such costs to CPA based on actual expenses and CPA shall not be liable for reimbursement of expenses that: (1) were not pre-approved in writing by CPA, or (2) exceed the current State of Texas' Travel Regulations, available at: [Textravel - Current Rates \(texas.gov\)](https://textravel.texas.gov) or <https://fmx.cpa.texas.gov/fmx/travel/textravel/rates/current.php>. Receipts are required to validate invoicing.

24. Termination and Cancellation Circumstances. CPA may terminate or cancel the Contract in any one of the following circumstances:

24.1. Mutual Agreement. Upon the mutual, written agreement of CPA and Successful Respondent, the Contract may be terminated or cancelled.

24.2. CPA Upon 30 days' Notice. CPA may, in its sole discretion, terminate or cancel the Contract with thirty (30) calendar days' written notice to Successful Respondent. Upon termination under this provision, Successful Respondent shall refund to CPA any amounts attributable to the terminated months remaining in the Contract within thirty (30) days of the termination effective date.

24.3. Successful Respondent's Nonperformance. If Successful Respondent fails to comply with any requirement of the Contract, including, but not limited to, requirements included in this RFO, CPA may immediately terminate or cancel all or any part of the Contract, may obtain substitute requested Services and/or items, may withhold acceptance and payments to Successful Respondent, may revoke any prior acceptance, may require Successful Respondent to refund amounts paid prior to revocation of acceptance, and may pursue all rights and remedies against Successful Respondent under the Contract and any applicable law. In addition, CPA will report defaulting Successful Respondent to the Statewide Procurement Division for possible action by the Statewide Procurement Division against defaulting Successful Respondent. CPA may also report such nonperformance in the Vendor Performance Tracking System available at: <https://www.comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>.

24.4. Excess Obligations Prohibited. The Contract is subject to termination or cancellation, without penalty to CPA, either in whole or in part, subject to the availability of state funds. CPA is a state agency whose authority and appropriations are subject to actions of the Texas Legislature. If CPA becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds that would render either CPA's or Successful Respondent's delivery or

performance under the Contract impossible or unnecessary, the Contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this paragraph, CPA will not be liable to Successful Respondent for any damages that are caused or associated with such termination or cancellation, and CPA will not be required to give prior notice. Termination under this paragraph shall not affect CPA's right to use previously paid Licensed Software through the term of each such license, nor any maintenance or support paid prior to such termination.

CPA reserves the right to recover reasonable costs, fees, expenses and other amounts or damages available to CPA under the Contract or under applicable law, including, but not limited to, attorneys' fees and court costs, if termination or cancellation is at Successful Respondent's request or if CPA terminates or cancels the Contract for cause. This right is in addition to any other remedies available to CPA under the Contract or under applicable law. CPA reserves the right to pursue any and all applicable rights and remedies if the Contract is terminated for any reason and CPA does not expressly waives such rights or remedies.

- 25. Substitute Hardware, Software, Services or Warranties.** In the event CPA terminates or cancels the Contract for Successful Respondent's nonperformance or for cause, CPA may procure, upon reasonable terms and in a manner as it deems appropriate, substitute requested items similar to those that were terminated or cancelled. Respondent will be liable to CPA for any excess or additional costs incurred by CPA in acquiring these requested items, plus court costs and attorneys' fees. CPA's recovery of costs under this paragraph is in addition to any other remedies available to CPA under the Contract or under applicable law.
- 26. Notice of Termination or Cancellation Delivery.** Any termination by CPA of the Contract that requires notice may be accomplished by CPA's delivery to Successful Respondent at the address in Section V, Part 46 (Notices) of a written notice of termination or cancellation specifying that the Contract is terminated or cancelled.
- 27. Hours.** If requested by CPA, Successful Respondent will provide delivery on-site at CPA five (5) days a week, Monday through Friday, 8:00 am to 5:00 pm CT, excluding weekends and State of Texas holidays, unless otherwise defined in Section II (Specifications).
- 28. Respondent Assignments.** Successful Respondent hereby assigns to CPA all claims of Successful Respondent's rights, title, and interest in and all claims and causes of action Successful Respondent may have under the antitrust laws of Texas or the United States or overcharges associated with the Contract. See also Section V, Part 37 (Assignment).
- 29. Taxes.** Purchases made for State of Texas use are exempt from the State Sales Tax and Federal Excise Tax. CPA will furnish Tax Exemption Certificates upon request. Respondent represents and warrants that it shall pay all taxes or similar amounts resulting from the Contract, including, but not limited to, any federal, State or local income, sales or excise taxes of Respondent or its employees. CPA shall not be liable for any taxes resulting from the Contract.

Successful Respondent will serve as an independent contractor under the Contract. Successful Respondent must be able to demonstrate on-site compliance with the Federal Tax Reform Act of 1986, Section 1706, amending Section 530 of the Revenue Act of 1978, dealing with issuance of Form W-2s to Respondent's employees. Successful Respondent will be solely responsible for payment of all taxes, including, but not limited to, state, federal, foreign, or local taxes, income taxes, withholding taxes, social security taxes, pension contributions, and any other form of payroll or any other taxes, for Successful Respondent and Successful Respondent's employees. CPA will have no responsibility for payment of any such taxes or amounts related to such taxes. At Successful Respondent's sole cost and expense, Successful Respondent will secure and maintain all insurance premiums that are required by this RFO or the Contract or insurance premiums that are necessary to protect the interests of the State of Texas and CPA or that Successful Respondent may need or desire for Successful Respondent or Successful Respondent's employees. Successful Respondent shall indemnify CPA and pay to CPA all costs, penalties, losses, and other amounts resulting from the Successful Respondent's omission or breach of this Section entitled "Taxes."

- 30. Warranties.** Notwithstanding any disclaimers in the Offer or other Respondent Documents and notwithstanding any other provision of this RFO to the contrary, Successful Respondent warrants and guarantees all of the following with respect to all requested items required under the Contract:

30.1. RFO and Manufacturer's Warranties. Successful Respondent warrants and guarantees that all items provided shall meet all specifications of the Contract, including, but not limited to, this RFO; in addition, Successful Respondent shall provide manufacturer's standard warranty for all items provided.

30.2. Replacement and Other Warranties. Successful Respondent will provide a one (1) year, full replacement warranty for all items provided and will provide any other warranties specified in Section II (Specifications). These warranties begin on the date CPA accepts the requested items.

All warranties required by the Contract survive beyond the termination, cancellation or expiration date of the Contract. Respondent Documents and the requirements of this RFO will not be construed to limit any rights or remedies otherwise available to CPA under this RFO, the Contract, or any applicable law.

- 31. Termination or Cancellation Effectiveness.** Unless otherwise specified in this RFO or the Contract, any termination or cancellation of the Contract will be effective upon the date specified in CPA's notice of termination or cancellation.
- 32. Limitation on Authority; No Other Obligations.** Respondent shall have no authority to act for or on behalf of CPA or the State of Texas, except as expressly provided for in the Contract; no other authority, power or use is granted or implied. Respondent may not incur any debt, obligation, expenses or liability of any kind on behalf of CPA or the State of Texas.
- 33. Public Information Act.** Notwithstanding any provisions of this RFO to the contrary, Respondent understands that CPA will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code), as interpreted by judicial opinions and opinions of the Office of the Texas Attorney General ("Attorney General"). Information, documentation, and other material in connection with this RFO or the Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Successful Respondent is required to make any information created or exchanged with the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State. Specific formats acceptable to CPA include Word, Excel, and pdf. All Offers become the property of CPA and may be subject to release to any requester under the provisions of the Texas Public Information Act. After the award and execution of a contract for a particular procurement, offers submitted shall be presumed to be public information and subject to disclosure unless a specific exception to disclosure under the Texas Public Information Act applies. CPA advises each Respondent to consult with its legal counsel regarding disclosure issues and take the appropriate precautions to safeguard trade secrets or other proprietary information. CPA assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Respondent.
- 34. Confidential Information; Nondisclosure Agreements.** Successful Respondent and Successful Respondent's employees and subcontractors, if any, shall not disclose to anyone, directly or indirectly, any information designated by CPA as confidential or to information accessed as a result of the Contract without the prior written consent of CPA. In addition, Successful Respondent must sign the Nondisclosure Agreement located in Section VIII (Nondisclosure Agreement) and include it with its Offer.

If a Respondent asserts that any portion of its Offer is confidential, then Respondent must specify the confidential portions in its Offer. Respondent must stamp in bold red letters the term "**CONFIDENTIAL**" on that specific part or page of the Offer that Respondent asserts to be confidential. Respondent must submit in writing specific detailed reasons, including any relevant legal authority, stating why Respondent asserts the material is confidential. Merely making a blanket claim that the entire Offer is protected from disclosure because it contains some proprietary information is not acceptable and will not render the entire Offer confidential. CPA will not accept vague and general claims as to confidentiality; CPA will determine whether a claim is general or vague in nature. CPA will consider all Offers and parts of Offers that are not marked as confidential as public information after the contract is awarded. The successful Offer may be considered public information even though parts are marked confidential.

In the event CPA receives a request for portions of an Offer marked as "**CONFIDENTIAL**", CPA shall forward the request to the Attorney General for an opinion on whether CPA may withhold such information from disclosure under the Texas Public Information Act. CPA will notify the Respondent whose Offer is the subject of the request when the information is forwarded to the Attorney General. CPA assumes no obligation for asserting legal arguments on behalf of a Respondent. See Section V, Part 2 (Contract Award; Copyright; Reissuance) regarding possible disqualification of an Offer due to certain copyrighted portions.

Within three (3) days of receipt, Successful Respondent shall refer to CPA's Contract Manager any third-party requests, received directly by Successful Respondent, for information to which Successful Respondent has access as a result of or in the course of performance under the Contract. The provisions of this Section entitled "Confidential Information; Nondisclosure Agreements" survive the termination or expiration of the Contract.

- 35. No Other Benefits.** Respondent has no exclusive rights or benefits other than those set forth herein.
- 36. Parties Bound.** The Contract will be binding upon and inure to the benefit of CPA and Successful Respondent and to their respective heirs, executors, administrators, legal representatives and successors.
- 37. Assignment.** Successful Respondent may not assign its rights under the Contract or delegate the performance of its duties under the Contract without the prior written approval from CPA. Any attempted in violation of this provision is void and without effect.
- 38. Time Limits.** Time is of the essence in the performance of the Contract. Successful Respondent shall strictly comply with all of the deadlines, requirements, and Standards of Performance for the Contract.
- 39. No Waiver.** No provision of the Contract, a PO or PO CN or this RFO shall constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies or immunities available to CPA as an agency of the State of Texas or otherwise available to CPA. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies or immunities detailed in the Contract or otherwise available to CPA by law will not constitute a waiver of said privileges,

rights, defenses, remedies or immunities or be considered as a basis for estoppel. By issuing a PO, by its conduct prior to or subsequent to issuing the PO or by executing the Contract, CPA does not waive any privileges, rights, defenses, remedies or immunities available to CPA as an agency of the State of Texas or otherwise available to CPA. The modification of any privileges, rights, defenses, remedies or immunities available to CPA must be in writing, must reference this section, and must be signed by CPA to be effective. Such modification of any privileges, rights, defenses, remedies or immunities available to CPA will not constitute a waiver of any subsequent privileges, rights, defenses, remedies or immunities under the Contract or under applicable law.

40. **CPA Not Liable Upon Termination.** If the Contract is terminated for any reason, CPA and the State of Texas will not be liable to Successful Respondent for any damages, claims, losses or any other amounts arising from or related to any such termination.
41. **Personal Injury; Property Damage.** Successful Respondent shall be liable for any bodily injury or personal injury to any individual caused by Successful Respondent or Successful Respondent's employees or Successful Respondent's defective products. In the event of loss, destruction or damage to any CPA or State of Texas property by Successful Respondent or Successful Respondent's employees, Successful Respondent shall indemnify CPA and the State of Texas and pay to CPA and the State of Texas the full cost of repair, reconstruction or replacement of the lost, destroyed or damaged property, at CPA's election. Successful Respondent will reimburse CPA and the State of Texas for such property damage within ten (10) calendar days after Successful Respondent's receipt of CPA's notice of amount due.
42. **INDEMNIFICATION.** SUCCESSFUL RESPONDENT SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND CPA, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM, ANY ACTS OR OMISSIONS OF SUCCESSFUL RESPONDENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT , INCLUDING ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUCCESSFUL RESPONDENT WITH THE ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUCCESSFUL RESPONDENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE ATTORNEY GENERAL. SUCCESSFUL RESPONDENT AND CPA AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.
43. **INDEMNIFICATION (INTELLECTUAL PROPERTY).** SUCCESSFUL RESPONDENT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS CPA AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS, AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF SUCCESSFUL RESPONDENT PURSUANT TO THE CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE, OR OTHER SERVICE PROVIDED THEREUNDER; AND/OR (3) CPA'S AND/OR SUCCESSFUL RESPONDENT'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO CPA BY SUCCESSFUL RESPONDENT OR OTHERWISE TO WHICH CPA HAS ACCESS AS A RESULT OF SUCCESSFUL RESPONDENT'S PERFORMANCE UNDER THE CONTRACT. SUCCESSFUL RESPONDENT AND CPA AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. NOTICE SHALL BE CONSIDERED TIMELY IF DELIVERED WITHIN FIVE (5) BUSINESS DAYS. SUCCESSFUL RESPONDENT SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY SUCCESSFUL RESPONDENT WITH THE ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUCCESSFUL RESPONDENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM ATTORNEY GENERAL. IN ADDITION, SUCCESSFUL RESPONDENT WILL REIMBURSE CPA AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES, OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF CPA DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF SUCCESSFUL RESPONDENT OR IF CPA IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, CPA WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND SUCCESSFUL RESPONDENT WILL PAY ALL REASONABLE COSTS OF CPA'S COUNSEL. SUCCESSFUL RESPONDENT REPRESENTS AND WARRANTS THAT IT HAS DETERMINED WHAT LICENSES, PATENTS AND PERMITS ARE REQUIRED UNDER THE CONTRACT AND HAS ACQUIRED ALL APPLICABLE LICENSES, PATENTS, AND PERMITS.

44. Governing Law and Venue. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas.

45. Support Documents; Inspection of Records. Successful Respondent shall maintain and retain all records relating to the performance of the Contract, including supporting fiscal documents adequate to ensure that claims for Contract funds are in accordance with applicable State of Texas requirements. These records will be maintained and retained by Successful Respondent for a period of seven (7) years (a) after the Contract expiration date or (b) until all audit, claim, litigation, negotiation, open records, administrative review, or other action involving the Contract or documents are resolved, whichever is later. Successful Respondent will make available at reasonable times and upon reasonable notice, and for reasonable periods, work papers, reports, books, records, and supporting documents kept current by Successful Respondent pertaining to the Contract for purposes of inspecting, monitoring, auditing, or evaluating by CPA or the State of Texas.

46. Notices. Any written notice(s) required under the Contract will be by either hand delivery to Successful Respondent's office or to CPA's Issuing Office at the address specified in Section I (Summary), or by U.S. Mail, certified, return receipt requested. Notice will be effective on receipt by the affected party. CPA and Successful Respondent agree that either party may change the designated notice address in this paragraph by written notification to the other party.

47. Unfair Business Practices. Respondent represents and warrants that it has not been the subject of allegations of Deceptive Trade Practices violations under Chapter 17 of the Texas Business and Commerce Code, or allegations of any unfair business practice in any administrative hearing or court suit and that it has not been found to be liable for such practices in such proceedings. Respondent certifies that it has no officers who have served as officers of other entities that have been the subject of allegations of Deceptive Trade Practices violations or allegations of any unfair business practices in an administrative hearing or court suit, and that such officers have not been found to be liable for such practices in such proceedings.

48. Immigration. Respondent represents and warrants that it shall comply with the requirements of the Immigration and Nationality Act (8 U.S.C. § 1101 *et seq.*) and all subsequent immigration laws and amendments.

49. Franchise Taxes. Respondent represents and warrants that it is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171 of the Texas Tax Code.

50. False Statements. Respondent represents and warrants that all statements and information prepared and submitted in its Offer are current, complete, true and accurate. Submitting an Offer with a false statement or material misrepresentations made during the performance of a Contract are each a material breach of contract and may void the submitted Offer and the Contract.

51. Force Majeure. Except as otherwise provided, neither Successful Respondent nor CPA shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, pandemics or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome. Each party must inform the other in writing, with proof of receipt, within three (3) business days of the existence of such force majeure, or otherwise waive this right as a defense.

52. Subcontracts. Successful Respondent may not subcontract for any of the equipment, software, warranties, or Services required under the Contract without the prior written consent of CPA. Should Successful Respondent subcontract any such items, Successful Respondent expressly understands and acknowledges that in entering into such subcontract(s), CPA is in no manner liable to any subcontractor(s) of Successful Respondent. Successful Respondent will retain responsibility for ensuring that the performances rendered under any subcontracts comply with all requirements of this RFO and the Contract as if Successful Respondent rendered such performances. Successful Respondent shall be solely responsible to CPA for all performance by Successful Respondent's employees, representatives, agents, subcontractors, suppliers, third-party service providers, and similar entities ("Persons" for purposes of this paragraph) and for ensuring all such Persons comply with applicable provisions of this RFO and the Contract. CPA, in its sole discretion, may review any such subcontracts upon request.

53. Title; Ownership; Licenses. CPA and the State of Texas will receive and Successful Respondent will convey to CPA and the State of Texas clear title, ownership, and licenses, as applicable, to all items provided by Successful Respondent under the Contract.

54. Severability. If any provision of the Contract will, for any reason, be held to violate any applicable law, and so much of the Contract is held to be unenforceable, then the invalidity of such a specific provision will not be held to invalidate any

other provisions, which other provisions will remain in full force and effect unless removal of said invalid provisions destroys the legitimate purpose of the Contract, in which event the Contract will be canceled.

55. Recycled, Remanufactured, or Environmentally Sensitive Materials. Under Section 2155.445 of the Texas Government Code (relating to preference to recycled materials), CPA will give preference in the solicitation of products made of recycled, remanufactured, or environmentally sensitive products if the products meet applicable specifications as to quantity and quality.

56. Entire Agreement. Except as expressly provided otherwise herein, the Contract will represent the entire agreement by and between CPA and Successful Respondent regarding the subject matter of this RFO. The Contract may not be changed except by CPA's written POCN or otherwise by the mutual, written agreement of the parties.

57. Dispute Resolution Processes. Chapter 2260 of the Texas Government Code ("Chapter 2260") prescribes dispute resolution processes for certain breach of contract claims applicable to certain contracts for goods and services. As required by Chapter 2260, CPA has adopted rules under Chapter 2260, codified at 34 Texas Administrative Code §§1.360 – 1.387, and may adopt revisions to these rules throughout the term of the Contract, including any extensions. Successful Respondent and CPA shall comply with such rules.

The dispute resolution process provided in Chapter 2260 must be used, as required, by CPA and the Successful Respondent to attempt to resolve any dispute arising under the Contract:

(A) If the Successful Respondent's claim for breach of contract cannot be resolved informally with CPA, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Successful Respondent shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under Section 2260.051 of the Texas Government Code. Compliance by the Successful Respondent with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

(B) The contested case process provided in Chapter 2260 is the Successful Respondent's sole and exclusive process for seeking a remedy for an alleged breach of contract by CPA if the parties are unable to resolve their disputes under subparagraph (A) of this Section.

(C) Neither the execution of a Contract by CPA nor any other conduct of any representative of CPA relating to a Contract shall be considered a waiver of sovereign immunity to suit.

For all specific breach of contract claims or disputes under the Contract not subject to Chapter 2260, the following shall apply:

Should a dispute arise out of the Contract, CPA and the Successful Respondent shall first attempt to resolve it through direct discussions in a spirit of mutual cooperation. If the parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third-party to be chosen by CPA and the Successful Respondent within fifteen (15) days after written notice by one of them demanding mediation under this Section. The Successful Respondent shall pay all costs of the mediation unless CPA has appropriated funds available to pay up to half of such costs. By mutual agreement, CPA and the Successful Respondent may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that CPA and the Successful Respondent shall in good faith utilize mediation or another non-binding dispute resolution process before pursuing litigation. CPA's participation in or the results of any mediation or another non-binding dispute resolution process under this Section or the provisions of this Section shall not be construed as a waiver by CPA of (1) any rights, privileges, defenses, remedies or immunities available to CPA as an agency of the State of Texas or otherwise available to CPA; (2) CPA's termination rights; or (3) other termination provisions or expiration dates of the Contract.

Notwithstanding any other provision of the Contract to the contrary, the Successful Respondent shall continue performance and shall not be excused from performance during the period any breach of contract, claim or dispute is pending under either of the above processes. However, Successful Respondent may suspend performance during the pendency of such claim or dispute if Successful Respondent has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

58. Applicable Law and Conforming Amendments. Successful Respondent must comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products described in this RFO to the State of Texas, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the Contract. CPA reserves the right, in its sole discretion, to unilaterally amend the Contract prior to award and throughout the term of the Contract to incorporate any modifications necessary for CPA's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

59. Media Releases. Successful Respondent shall not use CPA's name, logo or other likeness in any press release, marketing material or other announcement without CPA's prior written approval. CPA does not endorse any vendor, commodity or service. Respondent is not authorized to make or participate in any media releases or public announcements pertaining to this procurement, the Offer or the Services without CPA's prior written consent, and then only in accordance with explicit written instructions from CPA. Disclosure of any Offer prior to Contract award or violation of this paragraph may result in disqualification of Respondent's Offer and subject the Respondent to other action deemed appropriate by CPA.

60. Provision for Direct Deposit or Warrant. The electronic funds transfer (EFT) provisions of Texas law were codified in Section 403.016 of the Texas Government Code. Depending on eligibility under the law, certain payments from the State of Texas may be directly deposited into Successful Respondent's bank account or may be made by warrant. If Successful Respondent is eligible for direct deposit and wishes to be paid by direct deposit, Successful Respondent must request the form titled "Vendor Direct Deposit Authorization" from CPA's Accounts Payable Section at: biaap@cpa.texas.gov. The completed form must be returned to biaap@cpa.texas.gov or Comptroller of Public Accounts, Attention: Budget and Internal Accounting Division, Accounts Payable Section, LBJ State Office Building, 111 E. 17th Street, Austin, Texas 78774.

61. Equal Employment Opportunity. Respondent represents and warrants its compliance with all applicable, duly enacted state and federal laws governing equal employment opportunities.

62. Americans with Disabilities Act (ADA). Respondent represents and warrants that it will comply with the requirements of the ADA of 1990 and its implementing regulations, as each may be amended.

63. Protest Procedures. Any actual or prospective Respondent who is aggrieved in connection with this RFO, evaluation, or award of the Contract may formally protest, as provided in CPA's rules at 34 Texas Administrative Code §1.72. Respondents may protest any term or condition of this RFO within ten (10) business days of issuance of this RFO, as provided in 34 Texas Administrative Code §1.72.

64. Debts and Delinquencies Affirmation. Respondent acknowledges and agrees that, to the extent Respondent owes any debt, including, but not limited to, delinquent taxes, delinquent student loans, and child support owed to the State of Texas, any payments or other amounts Respondent is otherwise owed under the Contract may be applied by CPA toward any debt Respondent owes the State of Texas until the debt is paid in full. These provisions are effective at any time Respondent owes any such debt or delinquency. Successful Respondent shall comply with Sections 403.055, 403.0551, and 2252.903 of the Texas Government Code and other applicable laws and regulations regarding satisfaction of debts or delinquencies to the State of Texas.

65. Acceptance of PO Terms. By submitting an Offer, acknowledging and accepting the PO or POCN, or delivering any of the required items under the PO or POCN, Respondent acknowledges, accepts and agrees to all terms of the PO or POCN, including, but not limited to, this RFO; however, this acceptance by Respondent of all terms of this RFO by submission of an Offer does not apply to terms to which Respondent specifically takes an exception and offers an alternative in Respondent's Offer.

66. State Auditor's Right to Audit. In addition to and without limitation on the other audit provisions of this RFO or the Contract, pursuant to Section 2262.154 of the Texas Government Code, the Texas State Auditor's Office ("State Auditor") may conduct an audit or investigation of any entity receiving funds from the State of Texas directly under any contract or indirectly through a subcontract under the contract. The acceptance of funds by Successful Respondent or any other entity or person directly under the contract or indirectly through a subcontract under the contract acts as acceptance of the authority of the State Auditor, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. Under the direction of the Legislative Audit Committee, Successful Respondent or other entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. Successful Respondent shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Successful Respondent and the requirement to cooperate is included in any subcontract it awards.

67. Lobbying Prohibition. Respondent represents and warrants that CPA's payments to Respondent and Respondent's receipt of appropriated or other funds under the Contract are not prohibited by Sections 556.005, 556.0055, or 556.008 of the Texas Government Code.

68. Most-favored Customer. Successful Respondent represents and warrants that all prices, charges, benefits, warranties and terms granted to CPA pursuant to the Contract are comparable or more favorable to CPA than the prices, charges, benefits, warranties and terms that Successful Respondent has heretofore offered to any person or entity for the products and/or services covered under any other agreement. If at any time during the term of the Contract Successful Respondent shall contract with any other person or entity for prices, charges, benefits, warranties and terms more favorable to such person or entity than the terms in the Contract, Successful Respondent must notify CPA of such more favorable terms and CPA, in its sole discretion, may require that such more favorable prices, charges, benefits, warranties or other terms be available to CPA under the Contract, and be retroactive to the effective date of such Contract.

69. Rolling Estoppel. If Successful Respondent is aware a problem exists and fails to report the problem to CPA, Successful Respondent continues to be responsible for meeting the goals and timelines established in the Contract. Under these circumstances, CPA will not be liable for any detrimental consequences.

70. Property Rights. For purposes of this RFO, the term “Work” is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the Services. CPA and Successful Respondent intend the Contract to be a contract for the Services and each considers the Work and any and all documentation or other products and results of the Services to be rendered by Successful Respondent to be a work made for hire. Successful Respondent and Successful Respondent’s employees will have no rights in or ownership of the Work and any and all documentation or other products and results of the Services or any other property of CPA. Successful Respondent acknowledges and agrees that the Work (and all rights therein) belongs to and shall be the sole and exclusive property of CPA.

If for any reason the Work would not be considered a work-for-hire under applicable law, Successful Respondent does hereby sell, assign, and transfer to CPA, its successors and assigns, the entire right, title and interest in and to the copyright in the Work and any registrations and copyright applications relating thereto and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the Work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Successful Respondent agrees to execute all papers and to perform such other property rights, as CPA may deem necessary to secure for CPA or its designee the rights herein assigned.

In the event that Successful Respondent has any rights in and to the Work that cannot be assigned to CPA, Successful Respondent hereby grants to CPA an exclusive, worldwide, royalty-free, irrevocable, and perpetual license to directly and indirectly reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, such rights to make, have made, use, sell and offer for sale any products developed by practicing such rights, and to otherwise use such rights, with the right to sublicense such rights through multiple levels of sublicenses.

No later than the first calendar day after the termination or expiration of the Contract or upon CPA’s request, Successful Respondent shall deliver to CPA all completed, or partially completed, Work and any and all documentation or other products and results of the Services. Failure to timely deliver such Work or any and all documentation or other products and results of the Services will be considered a material breach of the Contract. Successful Respondent will not make or retain any copies of the Work or any and all documentation or other products and results of the Services without the prior written consent of CPA.

71. Evaluation Process. Evaluation of Offers will begin as soon as practical after receipt. Only those Offers that are responsive to this RFO will be evaluated, using the criteria and the weights set forth in Section I. Clarifications on issues raised in the Offers may be sought from individual Respondents. Best and Final Offers may be sought from the Respondents whose Offers are ranked most highly by the evaluation committee. CPA reserves the right, in its sole judgment, and discretion to reissue or withdraw this RFO rather than continue with negotiations.

72. Outsourcing. Respondent acknowledges that CPA may, in its sole discretion, enter into an outsourcing agreement with another provider that shall perform certain services for CPA. If CPA enters into a written agreement for outsourcing, Successful Respondent shall, as consistent with the terms of the Contract, grant the outsourcing vendor the right to use and access the services and/or equipment (e.g., software, hardware) on the same terms and conditions that Successful Respondent has granted CPA the right to use and access such services and/or equipment; provided, the outsourcing vendor also agrees that it (i) shall only use the services and/or equipment for the benefit of CPA, and (ii) shall enter into a confidentiality agreement with CPA, which contains confidentiality terms that are substantially no less restrictive than the confidentiality terms contained in this RFO and the Contract. In addition, Successful Respondent shall either fully cooperate with all transition activities regarding outsourcing or Successful Respondent agrees that CPA shall have the right to immediately terminate or assign to the outsourcing vendor the Contract without any liability for any amounts to Respondent.

73. Information Security Requirements for Successful Respondent. Successful Respondent shall comply with all applicable state and federal laws and regulations regarding confidentiality, privacy, and security pertaining to confidential CPA information. If communications with Successful Respondent necessitate the release of confidential CPA information, each individual who will require access to or may be exposed to that information must sign the CPA Confidential Treatment of Information Acknowledgment (CTIA) form. See Section IX for the CTIA.

74. Internal Revenue Service Data. See Exhibit 7 (Safeguarding Contract Language) of IRS Publication No. 1075, revised November 2021, as it may be amended from time to time (hereinafter, “Exhibit 7”).

a. **Performance.** In performance of this Contract, Successful Respondent agrees to comply with and assume responsibility for compliance by officers or employees with the following requirements:

- (1) All work will be performed under the supervision of Successful Respondent.
- (2) Successful Respondent and Successful Respondent's officers or employees to be authorized access to Federal Tax Information (FTI) must meet background check requirements defined in IRS Publication 1075. Successful Respondent will maintain a list of officers or employees authorized access to FTI. Such list will be provided to Comptroller (Agency) and, upon request, to the IRS.
- (3) FTI in hardcopy or electronic format shall be used only for the purpose of carrying out the provisions of the Contract. FTI in any format shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the Contract. Inspection or disclosure of FTI to anyone other than Successful Respondent or Successful Respondent's officers or employees authorized is prohibited.
- (4) FTI will be accounted for upon receipt and properly stored before, during, and after processing. In addition, any related output and products require the same level of protection as required for the source material.
- (5) Successful Respondent will certify that FTI processed during the performance of the Contract will be completely purged from all physical and electronic data storage with no output to be retained by Successful Respondent at the time the work is completed. If immediate purging of physical and electronic data storage is not possible, Successful Respondent will certify that any FTI in physical or electronic storage will remain safeguarded to prevent unauthorized disclosures.
- (6) Any spoilage or any intermediate hard copy printout that may result during the processing of FTI will be given to Agency. When this is not possible, Successful Respondent will be responsible for the destruction of the spoilage or any intermediate hard copy printouts and will provide Agency with a statement containing the date of destruction, description of material destroyed, and the destruction method.
- (7) All computer systems receiving, processing, storing, or transmitting FTI must meet the requirements in IRS Publication 1075. To meet functional and assurance requirements, the security features of the environment must provide for the managerial, operational, and technical controls. All security features must be available and activated to protect against unauthorized use of and access to FTI.
- (8) No work involving FTI furnished under the Contract will be subcontracted without the prior written approval of the IRS.
- (9) Successful Respondent will ensure that the terms of FTI safeguards described herein are included, without modification, in any approved subcontract for work involving FTI.
- (10) To the extent the terms, provisions, duties, requirements, and obligations of the Contract apply to performing services with FTI, Successful Respondent shall assume toward the subcontractor all obligations, duties and responsibilities that Agency assumes toward Successful Respondent, and the subcontractor shall assume toward Successful Respondent all the same obligations, duties and responsibilities which Successful Respondent assumes toward Agency under the Contract.
- (11) In addition to the subcontractor's obligations and duties under an approved subcontract, the terms and conditions of the Contract apply to the subcontractor, and the subcontractor is bound and obligated to Successful Respondent hereunder by the same terms and conditions by which Successful Respondent is bound and obligated to Agency under the Contract.
- (12) For purposes of the Contract, the term "Successful Respondent" includes any officer or employee of Successful Respondent with access to or who uses FTI, and the term "subcontractor" includes any officer or employee of Successful Respondent's subcontractor with access to or who uses FTI.
- (13) Agency will have the right to void the Contract if Successful Respondent fails to meet the terms of FTI safeguards described herein.

b. Criminal Sanctions. Successful Respondent acknowledges that this Section (b) serves as written notice of the information provided in this Section (b), as required by Exhibit 7 (Criminal Sanctions).

- (1) Each officer or employee of a Successful Respondent to whom FTI is or may be disclosed shall be notified in writing that FTI disclosed to such officer or employee can be used only for a purpose and to the extent authorized herein, and that further disclosure of any FTI for a purpose not authorized herein constitutes a felony punishable upon conviction by a fine of as much as \$5,000 or imprisonment for as long as 5 years, or both, together with the costs of prosecution.
- (2) Each officer or employee of a Successful Respondent to whom FTI is or may be accessible shall be notified in writing that FTI accessible to such officer or employee may be accessed only for a purpose and to the extent authorized herein, and that access/inspection of FTI without an official need-to-know for a purpose not authorized herein constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as one (1) year, or both, together with the costs of prosecution.
- (3) Each officer or employee of a Successful Respondent to whom FTI is or may be disclosed shall be notified in writing that any such unauthorized access, inspection or disclosure of FTI may also result in an award of civil damages against the officer or employee in an amount equal to the sum of the greater of \$1,000 for each unauthorized access, inspection, or disclosure, or the sum of actual damages sustained as a result of such unauthorized access, inspection, or disclosure, plus in the case of a willful unauthorized access, inspection, or disclosure or an unauthorized access/inspection or disclosure which is the result of gross negligence, punitive damages, plus the cost of the action. These penalties are prescribed by IRC sections 7213, 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.
- (4) Additionally, it is incumbent upon the Successful Respondent to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of

his/her employment or official position, has possession of or access to Agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or Agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

(5) Granting a Successful Respondent access to FTI must be preceded by certifying that each officer or employee understands the Agency's security policy and procedures for safeguarding FTI. A Successful Respondent and each officer or employee must maintain their authorization to access FTI through annual recertification of their understanding of the Agency's security policy and procedures for safeguarding FTI. The initial certification and recertifications must be documented and placed in the Agency's files for review. As part of the certification and at least annually afterwards, a Successful Respondent and each officer or employee must be advised of the provisions of IRC sections 7213, 7213A, and 7431 (see Exhibit 4, *Sanctions for Unauthorized Disclosure*, and Exhibit 5, *Civil Damages for Unauthorized Disclosure*). The training on the Agency's security policy and procedures provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. For the initial certification and the annual recertifications, the Successful Respondent and each officer or employee must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

c. **Inspection.** The IRS and Agency, with 24-hour notice, shall have the right to send its inspectors into the offices and plants of Successful Respondent to inspect facilities and operations performing any work with FTI under the Contract for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. Based on the inspection, corrective actions may be required in cases where Successful Respondent is found to be noncompliant with FTI safeguard requirements.

75. Independent Contractor. Successful Respondent has the sole obligation to supervise, manage and direct the performance of its obligations under the Contract. Successful Respondent and Successful Respondent's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the Services. Neither Respondent nor CPA is an agent of the other and neither may make any commitments on the other Party's behalf. Should Respondent subcontract any of the services required in the Contract, Respondent expressly understands and acknowledges that in entering into such subcontract(s), CPA is in no manner liable to any subcontractor(s) of Respondent. In no event shall this provision relieve Respondent of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Respondent shall have no claim against CPA for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits or employee benefits of any kind. Successful Respondent and Successful Respondent's employees, representatives, agents, subcontractors, suppliers, third-party service providers, and similar entities shall not be employees of CPA. The Contract shall not create any joint venture, partnership, agency or employment relationship between Successful Respondent and CPA.

76. Representations and Warranties related to Software. If any software is provided under the Contract, Successful Respondent represents and warrants each of the following:

- Successful Respondent has sufficient right, title and interest in the software to grant the license required by the Contract;
- if Successful Respondent is a software publisher, Successful Respondent has implemented processes for the protection, detection, remediation, mitigation and timely customer notification of software vulnerabilities associated with its software;
- the software does not infringe upon or constitute a misuse or misappropriation of any patent, trademark, copyright, trade secret or other proprietary right;
- the software and any Software Update, Software Enhancement/Release, Software Patch/Fix, and Software Upgrade does not contain viruses, malware, spyware, key logger, back door or other covert communications, or any computer code intentionally designed to disrupt, disable, harm, or otherwise impede in any manner, including aesthetical disruptions or distortions, the operation of the computer program, or any other associated software, firmware, hardware, or computer system, (including local area or wide-area networks), in a manner not intended by its creator(s); and
- the software does not contain any computer code that would disable the software or impair in any way its operation based on the elapsing of a period of time, exceeding an authorized number of copies, advancement to a particular date or other numeral, or other similar self-destruct mechanisms (sometimes referred to as "time bombs", "time locks", or "drop dead devices") or that would permit Successful Respondent to access the software to cause such disablement or impairment (sometimes referred to as a "trap door" or "back door").

77. Use of State Property. Successful Respondent is prohibited from using State Property for any purpose other than performing the Services. State Property includes, but is not limited to, CPA's office space, identification badges, CPA information technology equipment and networks (e.g., laptops, portable printers, cell phones, iPads, external hard drives,

data storage devices, any CPA-issued software and the CPA Virtual Private Network (VPN client)) and any other resources of CPA. Successful Respondent shall not remove State Property from the continental United States. In addition, Successful Respondent may not use any computing device to access CPA's network or e-mail while outside of the continental United States. Successful Respondent shall not perform any maintenance services on State Property unless the Contract expressly authorizes such services. During the time that State Property is in the possession of Successful Respondent, Successful Respondent shall be responsible for (i) all repair and replacement charges incurred by CPA that are associated with loss of State Property or damage beyond normal wear and tear, and (ii) all charges attributable to Successful Respondent's use of State Property that exceeds the Contract scope. Successful Respondent shall fully reimburse such charges to CPA within ten (10) calendar days of Successful Respondent's receipt of CPA's notice of amount due. Use of State Property for a purpose not authorized by the Contract shall constitute breach of contract and may result in termination of the Contract and the pursuit of other remedies available to CPA under the Contract, at law, or in equity.

78. Business Attire; Conduct; CPA guidelines. Successful Respondent shall ensure that Successful Respondent's employees conduct themselves in a professional manner and are in appropriate business attire when on CPA's premises. In addition, Successful Respondent shall ensure that its employees comply with all guidelines established by CPA for independent contractors required to provide services on CPA's premises. These guidelines may address issues that include, but are not limited to, the following: building security, IT security, preservation of records, safety, professional conduct, use of State property, non-disclosure of confidential information, drug-free and alcohol-free workplace rules and other requirements for on-site independent contractors.

79. Technology Access Clause. Respondent expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Respondent represents and warrants to CPA that the technology provided to CPA for purchase is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of:

- providing equivalent access for effective use by both visual and non-visual means;
- presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and
- being integrated into networks for obtaining, retrieving and disseminating information used by individuals who are not blind or visually impaired.

For purposes of this Part entitled "Technology Access Clause", the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means, such as assistive devices or services that would constitute reasonable accommodations under the Americans with Disabilities Act, as amended, or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays and customizable display appearance.

In accordance with Section 2157.005 of the Texas Government Code, the Technology Access Clause contract provision remains in effect for any contract entered into before September 1, 2006.

80. Electronic and Information Resources Accessibility Standards. Respondent represents and warrants that any electronic and information resources products developed, procured, maintained, or used by CPA directly or used by the Respondent under the Contract that requires the use of such product, or requires the use, to a significant extent, of such product in the performance of a service or the furnishing of a product complies with the applicable State of Texas Accessibility requirements for Electronic and Information Resources specified in the Department of Information Resources' rules at 1 Texas Administrative Code Chapter 213.

81. Drug-Free Workplace. Respondent represents and warrants that it shall comply with the applicable provisions of the Drug-Free Work Place Act of 1988 and maintain a drug-free work environment.

82. Occupational Safety and Health Law. Respondent represents and warrants that all articles and services quoted in response to this RFO meet or exceed the safety standards established and promulgated under the *Federal Occupational Safety and Health Act*, any successor laws, and its regulations in effect or proposed as of the date of this solicitation.

83. Survival of Terms. Termination of the Contract for any reason shall not release Successful Respondent from liability or obligation set forth in the Contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination, including the provisions regarding confidentiality, indemnification, transition, records, audit, property rights, dispute resolution, invoice and fees verification.

84. No CPA Indemnification. Any requirement that CPA defend, indemnify, or hold harmless the Successful Respondent or other entity is hereby deleted from the Offer and Respondent Documents.

85. Disaster Recovery Plan. Upon CPA's request, Respondent shall provide to CPA the descriptions of its business continuity and disaster recovery plans.

VII. Conflict of Interest/Disclosure Statement

A. Disclosures. Provide the requested information in the space provided; indicate “N/A” as appropriate.

1. Respondent must disclose any proposed personnel who are current or recent former employees of CPA or the State of Texas.

2. Respondent must disclose the following:

- a. any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to Respondent’s and its proposed subcontractors’ submission of an Offer, possible selection as Successful Respondent, or its performance of the contract.

- b. all past and present contractual, business, financial or personal relationships between Respondent and CPA and between Respondent’s proposed subcontractors, if any, and CPA.

For each item, Respondent must also provide a detailed explanation of why Respondent does or does not believe such item poses a conflict of interest, potential conflict of interest, or appearance of impropriety issue relative to Respondent’s submission of an Offer, possible selection as the Successful Respondent, or its performance of the contract.

B. Defined Terms. For purposes of the disclosure statements required by this solicitation, the terms below are defined as follows:

- “past” is defined as within the two (2) calendar years prior to the deadline for submission of offers in response to this solicitation.
- “CPA” is defined as the statewide elected official who heads the agency, as well as the agency’s employees or recent former employees.
- “recent former employees” are defined as those CPA employees who have terminated agency employment within the two (2) calendar years prior to the deadline for submission of offers in response to this solicitation.
- “personal relationship” is defined as a current or past connection other than a clearly contractual, business, financial or similar relationship and includes family relationships or other connections outside simply providing a response to this solicitation. For this purpose, “family relationship” means a relationship within the third degree of consanguinity or second degree of affinity; see Chapter 573 of the Texas Government Code, which defines these degrees of consanguinity and affinity. Connections other than such family relationships fall within this definition and must be disclosed if:
 - (a) a reasonable person could expect the connection to diminish Respondent’s independence of judgment or effectiveness in the performance of the Respondent’s responsibilities to CPA or the State of Texas under the contract;
 - (b) a reasonable person could expect the connection, within the overall context of Respondent’s submission of an Offer, possible selection as Successful Respondent or its performance of the contract, to create an issue for the agency’s consideration relative to a potential appearance of impropriety or conflict of interest; or
 - (c) the relationship is with a CPA or other State of Texas employee with authority to make decisions or recommendations on state contracting or procurement or this solicitation. For purposes of this provision, those persons with authority to make decisions or recommendations are those persons who fall within the definition of “purchasing personnel” in Section 2262.004(a)(2) of the Texas Government Code.

C. Continuing Duty to Disclose. If circumstances change or additional information is obtained subsequent to submission of the Offer, Successful Respondent’s duty to disclose under these provisions continues under the term of the contract and does not end with submission of an Offer or receipt of contract award.

D. Disclosures under these provisions are information that will be evaluated by CPA; however, all information provided will not necessarily lead to a restriction or disqualification. Issues will be considered on a case-by-case basis in the best interests of the State of Texas. If Respondent is in doubt about whether information should be disclosed, Respondent should consult with its legal counsel. Failure to disclose any required information under these provisions may be cause for offer disqualification or termination of the contract resulting from this solicitation. CPA reserves the right, in its sole discretion, to determine if an issue should result in offer disqualification or termination of the contract.

In consideration of Texas Comptroller of Public Accounts (“CPA”) communicating with the undersigned Respondent regarding a potential contract resulting from the referenced solicitation (e.g., RFP, RFO, IFB) and because of the sensitivity of certain information provided to Respondent, both parties agree that all information regarding CPA or gathered, produced, collected or derived from or related to the potential contract, or provided to Respondent under a resulting contract (“Confidential Information”) must remain confidential subject to release only upon prior written approval of CPA, and more specifically agree as follows:

1. The Confidential Information may be used by Respondent only to assist Respondent in connection with the business relationship contemplated in the solicitation or performance of a contract with CPA resulting from the solicitation.
2. Respondent shall not, at any time, use the Confidential Information in any fashion, form, or manner except in its capacity as proposed consultant or independent contractor to CPA.
3. Unless otherwise provided in the solicitation or resulting contract, Respondent agrees to maintain the confidentiality of all Confidential Information in the same manner that it protects the confidentiality of its own materials of like kind, but in no event less than reasonable care. Respondent shall take reasonable precautions to protect the Confidential Information including, but not limited to, not disclosing Confidential Information in any manner to any person, firm, or entity, except for authorized employees, agents, or contractors of Respondent with a need to know who are bound by confidentiality obligations at least as stringent as those contained in this agreement prior to any disclosure of such Confidential Information.
4. The Confidential Information may not be copied, reproduced, disclosed, distributed, or otherwise divulged without CPA’s prior written approval. Confidential Information and any copies thereof shall be CPA’s exclusive property.
5. All Confidential Information made available to Respondent, including copies thereof, must be returned to CPA upon the first to occur of (a) expiration or termination of any contract resulting from the solicitation, or (b) request by CPA.
6. The foregoing does not prohibit or limit Respondent’s use of the information (including, but not limited to, ideas, concepts, know-how, techniques and methodologies) (a) previously known to it, provided such prior knowledge was not subject to a confidentiality obligation, (b) independently developed by it, (c) acquired by it from a third-party under no obligation of confidentiality to CPA, (d) which is or becomes part of the public domain through no breach by Respondent of this nondisclosure agreement or other contractual obligations to CPA, or (e) approved by CPA in writing for unrestricted disclosure.
7. If Respondent is required by applicable law, regulation, or legal process to disclose any Confidential Information, then Respondent shall provide CPA with prompt notice of any such requirement prior to delivery of the Confidential Information to allow CPA a reasonable opportunity to seek a protective order or equivalent.
8. This nondisclosure agreement shall become effective as of the date Confidential Information is first made available to Respondent and shall survive the expiration or termination of any contract resulting from the solicitation and be a continuing requirement.
9. The breach of this nondisclosure agreement by Respondent shall entitle CPA to immediately terminate any contract with Respondent resulting from the solicitation upon written notice to Respondent for such breach. The parties acknowledge that the measure of damages in the event of a breach of this nondisclosure agreement may be difficult or impossible to calculate, depending on the nature of the breach. Regardless of whether CPA elects to terminate any contract with Respondent resulting from the solicitation upon the breach hereof, CPA may require Respondent to pay to CPA the sum of \$5,000 for each breach as liquidated damages. This amount is not intended to be in the nature of a penalty, but is intended to be a reasonable estimate of the amount of damages to CPA in the event of a breach hereof by Respondent of this nondisclosure agreement. CPA does not waive any right to seek additional relief, either equitable or otherwise, concerning any breach of this nondisclosure agreement.
10. This nondisclosure agreement is governed by and construed under the laws of the State of Texas. Any and all obligations of this agreement are due in Travis County, Texas and venue is proper in only such county.
