III. ELIGIBLE BIDDERS

Public or private corporations, agencies, organizations, associations, or individuals may submit a sealed bid in response to this IFB. The bidder must be legally constituted and qualified to do business within the State of California (registered with the California Secretary of State), if applicable. Bidders must be a legally cognizable public agency, sole proprietorship, partnership, or corporation (fully incorporated by the deadline for submitting bids). Failure to meet the foregoing requirement will result in disqualification.

Bidders who have had a contract terminated by the CDE in the past 18 months may be automatically disqualified.

A. Disabled Veteran Business Enterprise (DVBE) Program Requirement

This solicitation is exempt from DVBE participation.

See General Information, Article V DVBE Participation Goals for information.

B. Targets of Economic Sanctions; Executive Order N-6-22 – Russia Sanctions:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

IV. SUBCONTRACTING

The bidder responding to this IFB must serve as the Prime Contractor and will be the responsible entity in ensuring that all services and activities are competently and successfully completed. If any portion of the work outlined in Exhibit A, Scope of Work, is to be subcontracted out, or performed by anyone other than the bidder, a Bidder Declaration Form (GSPD-05-105) must be completed and submitted as part of the bid submission. The Bidder Declaration Form must bear the original signature of the person authorized to bind the bidder. The Bidder Declaration form can be found at: <https://www.documents.dgs.ca.gov/dgs/fmc/gspd/gspd05-105.pdf>

A. Commercially Useful Function

Bids must propose that Prime bidders provide a commercially useful function for the resulting contract or the bid will be deemed non-responsive and rejected by the State.

Commercially useful function is defined as: 1) Is responsible for the execution of a distinct element of the work of the contract (including the supplying of service and goods); 2) Carries out its obligation by actually performing, managing or supervising the work involved; 3) Performs work that is normal for its business services and functions; 4) Is responsible, with respect to products, inventories, materials and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment; and 5) Is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices. (Tit. 2 CCR § 1896.71(b).)

A small or microbusiness/DVBE contractor, subcontractor or supplier is not performing a “commercially useful function” if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of small business or microbusiness/DVBE participation. (GC § 14837(d)(4); Tit. 2 CCR § 1896.15.) (Mil. & Vet. Code § 999(b)(5)(B); Tit. 2 CCR § 1896.71(c).)

V. DVBE PROGRAM REQUIREMENT

Section 10115 et seq. of Public Contract Code, and Section 999 et seq. of the Military and Veterans Code requires a goal of three percent (3%) certified California Disabled Veteran Business Enterprise (DVBE) participation for all contracts on an agency-wide basis of \$25,000.00 and over unless exempted due to the services provided.

This solicitation is exempt from DVBE participation, however the DVBE incentive still applies (see Article VI. Preference Programs).

The CDE is committed to achieving legislatively established goals for the participation of DVBEs in all contracting and seeks to use certified California DVBE business whenever possible.

VI. PREFERENCE PROGRAMS

A. Small Business Preference

A five percent (5%) bid preference is available and will be applied in accordance with Attachment 5. The small business preference will be applied to those bidders declaring their eligibility by completing Attachment 5. The bidder must include proof of Small Business certification, if applying for the preference. Certification can be verified on Cal eProcure at <https://caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx>

Information regarding this preference program may be obtained on the DGS website, <https://www.dgs.ca.gov/PD/Resources/Page-Content/Procurement-Division-Resources-List-Folder/How-to-do-business-with-the-state-of-California>

B. DVBE Incentive Option

In accordance with Section 999.5(a) of the Military and Veterans Code, an incentive will be given to responsive and responsible bidders who provide DVBE participation as outlined below. The incentive amount for awards based on the lowest responsive/responsible bid received will vary in conjunction with the percentage of DVBE participation. The incentive is only given to those bidders who are responsive to the DVBE Program Requirements and DVBE participation in the resulting contract. The following represents the percentages that will be applied:

- Confirmed DVBE Participation of 5% or more, the DVBE Incentive is 5%.
- Confirmed DVBE Participation of 4% to 4.99%, the DVBE Incentive is 4%.
- Confirmed DVBE Participation of 3% to 3.99%, the DVBE Incentive is 3%.

In order to receive the incentive bidders must document DVBE participation commitment by completing and submitting the Bidder Declaration (GSPD-05-105) with the Bid. The GSPD-05-105 form can be found at:

<https://www.documents.dgs.ca.gov/dgs/fmc/gspd/gspd05-105.pdf>.

Bidder / Offeror must notify the State in writing if it: (1) intends to provide GenAI as a deliverable to the State; or (2), intends to utilize GenAI, including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts: (i) functionality of a State system, (ii) risk to the State, or (iii) Contract performance. For avoidance of doubt, the term “materially impacts” shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

Failure to report GenAI to the State may result in disqualification. The State reserves the right to seek any and all relief to which it may be entitled to as a result of such non-disclosure.

Upon notification by a Bidder / Offeror of GenAI as required, the State reserves the right to incorporate GenAI Special Provisions into the final contract or reject bids/offers that present an unacceptable level of risk to the State.

Bids submitted must be complete in all respects and may be rejected if incomplete or contain irregularities of any kind.

The State does not accept alternate contract language from a prospective contractor. A bid with such language will be considered a counter proposal and will be rejected.

There is no requirement to award a contract if, in the opinion of the CDE, no bids were received containing a reasonable contract price or if there is another business-based reason not to make an award.

If no submissions are received containing bids offering a cost/price/rate, which in the opinion of the CDE is a reasonable cost/price/rate, CDE is not required to award an Agreement (Public Contract Code Section 10344 [d]).

Every component of the bid cost/price/rate is subject to reasonableness of cost justification. If any portion of the cost is rejected by the CDE, then the entire bid may be rejected.

The cost of bid development is the responsibility of the prospective bidder and shall not be chargeable to the CDE.

The CDE reserves the right, at its sole discretion, to overlook, correct, or require a bidder to remedy any obvious clerical or incidental mathematical errors on a bid form. XIII. BASIS OF AWARD

Following the public bid opening, the CDE Contracts Office will review the low bid for compliance with the bid requirements, specified herein, and to determine if the low bidder is responsible and responsive to this IFB.

The contract shall be awarded on the basis of the responsive and responsible bidder submitting the lowest average Total Combined Cost.

The contract shall be awarded on the basis of the responsive/responsible bidder submitting the lowest average Total Combined Cost for as needed American Sign Language Interpreting services stated on the Contractor's Bid Forms, Exhibit B.1, B.2, and B.3.

The lowest average Grand Total will be computed by adding the Total Combined Cost from each of the three bid forms, Exhibit B.1, B.2, and B.3, and then dividing the amount by three.

Charges for the bidder's operating expenses such as: labor, personnel, material, supplies, licenses, certifications, travel, transportation, parking, equipment, equipment rental, taxes, permits, insurance and/or any other overhead expenses must be included as part of the bidder's rates.

All bid responses must comply with the requirements outlined herein. Failure to do so will disqualify the bid. If it is determined not to be in the best interest of the State, the State reserves the right to not award a contract in response to this IFB.

THE STATE RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS.

The method that shall be used as a "tie-breaker" in the event of a two-way (or more) tie of the responsive/responsible lowest bid will be to place the names of the bidders in a

container. The first name drawn will be the proposed awardee. The remaining bidder(s) name(s) will be drawn sequentially and noted in case, upon validation, the proposed awardee selected through the tie-breaking process is unacceptable.

Small business bidders, meeting the IFB specifications, shall have precedence over non-small business bidders in that the application of any bidder preference for which non-small business bidders may be eligible under any other provision of law shall not result in the denial of the award to a small business bidder.

In the event of a precise tie between the low responsible bid of bidder meeting the specifications of a small business, and the low responsible bid of a bidder meeting the specifications of a disabled veteran-owned small business, the contract shall be awarded to the veteran-owned small business.

Upon written request by any bidder who has submitted a bid, notice of the proposed award shall be posted in a public place in the offices of the contracting agency at least five working days prior to awarding the contract.

XIV. OPTION TO RENEW

The contract awarded through this IFB would expire on December 14, 2026; however, the CDE may exercise the options to renew for two additional years.

Costs for the first one-year option to renew (December 15, 2026 – December 14, 2027) shall be computed in accordance with the Contractor's Bid Form Exhibit B.2, contract period December 15, 2026 – December 14, 2027. If the State elects to renew the agreement with the Contractor, the CDE Contract Monitor will notify the Contractor of the option to renew in June 2026.

Costs for the second one-year option to renew (December 15, 2027 – December 14, 2028) shall be computed in accordance with the Contractor's Bid Form Exhibit B.3, contract period December 15, 2027 – December 14, 2028. If the State elects to renew the agreement with the Contractor, the CDE Contract Monitor will notify the Contractor of the option to renew in June 2027.

XV. CONTRACT AWARD PROTEST PROCEDURES

If prior to the award, any bidder files a protest with the CDE against the awarding of the contract on the grounds that it is the lowest responsive/responsible bidder meeting the specifications of the IFB, the contract shall not be awarded until either the protest has been withdrawn or the DGS has decided the matter.
