## Description

---

San José State University (SJSU), through its Office of the Registrar, is seeking proposals from a qualified vendor to provide **Academic Transcript Production, Digital Credentialing, and Related Fulfillment Services**. The selected vendor shall deliver secure, reliable, and scalable solutions to support the requesting, processing, fulfillment, and delivery of official academic transcripts and digital credentials.

The vendor must demonstrate direct experience providing transcript and credentialing services within a higher education environment and must meet or exceed all requirements set forth in this Request for Proposals (RFP). All services shall comply with applicable federal, state, and local laws, regulations, and University policies.

The University intends to award a five (5)-year contract to the responsive and responsible Proposer whose proposal best meets the requirements of this RFP.
